SESSION ONE

- 26001 Serial Number 6 **Afghanistan** Ministry of Finance 5 Afghani ND (1936) Pick 16
A sole serial number 6 graces this beautifully preserved example from early 20th Century Afghanistan. These early notes of Afghanistan printed in Switzerland were not in circulation for long, as they were replaced by Bank of Afghanistan notes a few years later - accounting for the dearth of issued examples compared to remainder ones. PMG **Gem Uncirculated 66 EPQ**. (700-900)
Starting Bid: \$413

- 26002 **Afghanistan** Ministry of Finance 50 Afghani ND (1936) Pick 19r Remainder
Block numbers only and no red serial numbers (and hence an unissued remainder) appear on this ornate note printed in Switzerland. Some writing in Farsi is on the back. This note earned a wonderfully high PMG **Gem Uncirculated 66 EPQ** grade. (500-700)
Starting Bid: \$300

- 26003 **Angola** Banco Nacional Ultramarino 1000 Reis 1.3.1909 Pick 27
A rare note valued only up to \$550 in Fine. This PMG **Choice Extremely Fine 45 EPQ** example has light folds. (1,500-2,000)
Starting Bid: \$900
- 26004 **Angola** Republica Portuguesa 5 Angolares 14.8.1926 Pick 66 and 2 ½ Angolares 26.3.1942 Pick 69
A set of early notes from one of the earliest Portuguese overseas possessions. These early notes were issued under the name of Portugal before the currencies of the Portuguese colonies were unified, and issuing rights were transferred to the Banco Nacional Ultramarino. The 5 Angolares note is PMG **Very Fine 20 Net**, with repairs, and a missing piece, and the 2 ½ Angolares is PMG **Choice Very Fine 35**, discoloration. (Total: 2 notes) (500-700)
Starting Bid: \$300
- 26005 **Angola** Banco De Angola 100 Angolares 2.12.1946 Pick 81s Specimen
Original embossing shows through the third party holder. Full margins are visible, with SPECIMEN NO 49 in the lower left corner. PCGS **Choice About New 58PPQ**. (500-700)
Starting Bid: \$300

Unlisted Bank of New South Wales Maitland Branch Note

26006 **Australia** Bank of New South Wales Maitland Branch £5 23.5.1852 Pick UNL Proof

A Proof that is unlisted in Krause, with the Pick number on the third party label actually associated with the £50 denomination of this bank. The Maitland branch is not mentioned in Krause for any denomination for this bank. The pencilled date of May 23, 1852 is found in the lower left margin, and "SPECIMEN" is printed on the face at bottom center. The third party label reads, "light discoloration, previously mounted."

PMG Uncirculated 62. (4,000-6,000)

Starting Bid: \$2,400

Union Bank Bathurst Branch £1 Specimen

- 26007 **Australia** Union Bank Bathurst Branch £1 ND (1854-60) Pick UNL MVR2asp Specimen Proof
 Unlisted in the Krause catalog, this London-based bank finally bowed out of the Australian banking scene in 1951. A pencilled date of May 26, 1854 appears at lower left. Some minor toning is evident, along with some ink bleedthrough from another note which was resting on this note's face. PMG **About Uncirculated 53**. (6,000-9,000)
Starting Bid: \$3,600

Bank of Queensland £1 1864

26008 Australia Bank of Queensland Limited Dalby Branch £1 1.12.1864 Pick UNL

We do not think we will get any disagreement on this being a rare note in any grade. In fact, very few examples of the early Australian banks have survived at all. This piece is dated December 1, 1864. This is before the railroad came to the state and also before the gold discovery of 1867. The Bank of Queensland failed in 1866, after just three years in existence. What we have in this lot is a great note destined to enter a great collection. PMG **Very Good 8**, a bright example for the grade without a single criticism whatsoever on the third party label. (6,000-8,000)

Starting Bid: \$3,500

26009 Australia Commonwealth £1 ND (1926) Pick 16a R24

The signatures of Kell and Collins are present on this H/67 prefix £1. PMG's holder obscures the light bends that account for the grade, but the colors remain bold and attractive. As a result, the design, including the engraving of Captain Cook landing at Botany Bay on the back, is uninterrupted. Graded **Extremely Fine 40**, it sits alone atop the PMG Population Report. (2,250-3,250)

Starting Bid: \$1,350

26010 Australia Commonwealth £1 ND (1927) Riddle/Sheehan Pick 16c Rennicks 26

An attractive and colorful example of this early Commonwealth issue. The intricate watermark design and the third party holder obscure any folds that account for the grade. PMG **Extremely Fine 40**. (750-1,250)

Starting Bid: \$450

Coombs/Wilson Replacement £1

26011 Australia Commonwealth £1 ND (1952) Pick 26r3 R32s Replacement

A very rare and desirable replacement note that is so rare that PMG has graded only four examples, with none higher and only one equal. Deeply printed devices and the lack of any significant folds give this pretty piece an overall AU appearance. An old Pick number for this note is on the third-party label. PMG **Extremely Fine 40**. (6,000-9,000)

Starting Bid: \$3,500

26012 Australia Commonwealth £5 ND (1952) Pick 27d R48

A lovely note that is completely original, with strong embossing. All four margins are wide, and the centering is just around 1mm away from being perfect. Dark inks round out this PMG **Gem Uncirculated 66 EPQ** piece. (1,750-2,250)

Starting Bid: \$1,050

- 26013 **Australia** Commonwealth of Australia £5 ND (1952) Pick 27d R48
Bright paper and deep blue inks grace this attractive S/31 prefix PMG **Choice Uncirculated 64** £5 note. A ruler confirms the near-perfect centering within balanced margins and also the near-perfect face-to-back registration. Embossing is clear throughout the unprinted area on the back. (1,250-1,750)
Starting Bid: \$750

Replacement £1 ND (1961-65)

- 26014 **Australia** Commonwealth £1 ND (1961-65) Pick 34*(r) R34sb Replacement
Any grade limiting bends or folds are well hidden in the third party holder, giving this fully margined replacement a truly Gem appearance. Also, embossing of both the Coombs and Wilson signatures is still readily evident. This PMG **Choice About Unc 58** piece is from the HE/90 prefix and features the emerald green back design with a serial number of five digits followed by a "*." Uncirculated values for this replacement are listed at \$30,000 and more in two major references, giving this lovely example a tremendous amount of bang for the buck. (4,000-6,000)
Starting Bid: \$2,400

Lovely and Original \$50 Specimen

26015 **Australia** Commonwealth of Australia, Reserve Bank \$50 ND (1973) Pick 47s1 Rennicks 21 Specimen

A lovely example of this 1970s Specimen. Red SPECIMEN stamps run diagonally across the face and back. Each of the colors in the rich and well printed design are vivid and contrast perfectly against the bright white paper. Block YAA appears followed by serial number 000000. The note looks nothing short of a Gem and is graded PMG **Choice Uncirculated 64 EPQ**. (5,000-7,500)

Starting Bid: \$3,000

- 26016 **Australia** Reserve Bank \$10 26.1.1988 Pick 49s Renniks SP29a Specimen
 This was the note that, after years of research by CSIRO, introduced to the world the feasibility of printing banknotes on a polymer substrate. The "Guardian" substrate proved to be conducive to Australian banknotes, as the previous cotton-based banknotes did not hold up well in the Australian climate, and were very susceptible to counterfeiting. Specimen Australian notes are very elusive as they are well tracked by the RBA, resulting in the dearth of them in the market. The first prefix AA allocated to collectors appears on this note with a solid 0 serial number. A Specimen number 0514 graces this well-preserved example. PMG **Choice Uncirculated 64**. (5,000-7,000)
Starting Bid: \$5,000

- 26017 **Austria** Oesterreichische Nationalbank 1000 Schilling
 2.1.1961 Pick 141s Specimen
 The overprinted and perforated German word for "Muster" and a solid 0 serial number tells us that this is a Specimen note. A nicely preserved example with a deeply embossed bank title. PMG **Choice Uncirculated 64**. (750-1,000)
Starting Bid: \$450

- 26018 **Austria** Oesterreichische Nationalbank 1000 Schilling
 2.1.1961 Pick 141s Specimen
 An earlier Specimen number of 122 graces this large denomination note from Austria. Roulette-cancelled "MUSTER" and some pinholes are visible on this well-embossed example. PMG **Choice Uncirculated 64**. (500-700)
Starting Bid: \$300

26019 Bahamas Government of the Bahamas 4 Shillings 1919 Pick 2p Face and Back Proof

A pair of Proofs of arguably one of the rarest designs of Bahamas notes. No Proofs are currently listed in the Krause reference, and this evenly matched pair will be sure to please. Scenes of the dominant industries of the islands in the early 20th Century are featured as the main vignettes. The face Proof is PMG **Choice Uncirculated 64**, and the back Proof is a lofty PMG **Superb Gem Uncirculated 68 EPQ**. (Total: 2 notes) (2,000-3,000)
Starting Bid: \$1,200

26020 Bahamas Government 4 Shillings L. 1936 Pick 9e
 This example grades PMG **Gem Uncirculated 65 EPQ**. We had a PMG 66 EPQ Pick 9e bring \$1175 in April 2014. (500-700)
Starting Bid: \$300

26021 Bahamas Government 4 Shillings ND (1953) Pick 13c
 One of the finer examples we have seen from this issue (and all denominations within it encompasses). The margins are perfect, with punch-through embossing and richly colored design details. PCGS **Superb Gem New 67PPQ**. (500-750)
Starting Bid: \$300

26022 Bahamas Government £5 1936 (ND 1961) Pick 16c
 This note that we have not offered prior displays the signature combination of W.H. Sweeting and P. Bethel. Decent color is a highlight. PMG **Very Fine 30 EPQ**. (600-800)
Starting Bid: \$350

Bahamas 1965 \$50 PMG Choice Uncirculated 64

26023 Bahamas Government \$50 1965 Pick 24a

Four years ago, we sold a PMG 66 EPQ bearing serial number 13 for \$8625. At the time these notes were issued, \$50 was a large sum of money for this island nation, as the tourism trade was nonexistent. Any estimate here is but a guess, but in today's vibrant World Currency market, we feel this PMG **Choice Uncirculated 64** note will end at... (7,000-10,000)

Starting Bid: \$4,125

Bahamas \$10 Pick 30a

26024 Bahamas Monetary Authority \$10 L. 1968 Pick 30a

A rare issued note in high grade with a listed value of \$3000 in UNC in Krause. Our current offering grades PMG **Choice Uncirculated 64**. We had a PCGS 65PPQ Pick 30a bring \$2530 in January 2012 and a PMG 66 EPQ example realize \$3055 in January 2014. (2,250-3,250)

Starting Bid: \$1,350

26026 Bahamas The Central Bank \$50 ND 1992 Pick 55

Vivid inks on both front and back highlight this rare note. The last example for the issue we sold as part of the Ruth W. Hill Collection in a PCGS 65PPQ holder realized \$1997.50. PMG **Gem Uncirculated 66 EPQ**. (1,500-2,500)

Starting Bid: \$900

26025 Bahamas The Central Bank \$5 L. 1974 Pick 37b

At PMG **Superb Gem Unc 67 EPQ**, this is the nicest example of this number that we have been able to offer. We had a PMG 66 EPQ Pick 37b realize \$411.25 at our Long Beach 2012 Auction. (500-750)

Starting Bid: \$300

- 26027 **Bahamas** The Central Bank \$50 L. 1974 (1992) Pick 55a
Iridescent inks are bright on this high denomination issue with additional security features. PMG **Choice Uncirculated 64**. (2,000-2,500)
Starting Bid: \$1,800

- 26028 **Bahamas** The Central Bank \$100 1996 Pick 62
Fresh color and crisp paper highlight this high denomination note from this well-collected island nation. PMG **Gem Uncirculated 65 EPQ**. (700-1,000)
Starting Bid: \$413
- 26029 **Belgian Congo** Banque du Congo Belge 5 Francs 10.8.43 Pick 13Ab
This 5 Franc note is from the fourth emission and is in a lofty grade. Gem-sized margins frame the boldly printed and well-embossed design details. PMG **Choice Uncirculated 64 EPQ**. (400-600)
Starting Bid: \$240

- 26030 **Belgian Congo** Banque du Congo Belge 50 Francs 1949 Specimen Pick 16s
The Specimens issued for this series show a variety of dates on the back in red, this on reading UITGIFTE 1949. Perfect margins frame the boldly printed design, highlighted by the Leopard vignette on back. Six HPCs show along the signature lines. PMG **Gem Uncirculated 66 EPQ**. (600-800)
Starting Bid: \$350
- 26031 **Belgium** Eighteenth Century Court Card
A King of Spades card with penned inscriptions on the back. There is also an imprint of both an obverse and reverse of a coin on the back. We saw ten of these court cards change hands for \$4750 in 2002. **About Uncirculated**, with a horizontal center fold. (500-700)
Starting Bid: \$300

- 26032 **Bermuda** British Administration £1 12.5.1937 Pick 11b
A pleasing note and just the third example in this Gem grade to pass through our auctions. The last sold for nearly \$1300 in our 2012 Long Beach Signature Auction. Expect an even stronger realization for this well-margined and nicely inked piece. PMG **Gem Uncirculated 66 EPQ★**. (1,250-1,750)
Starting Bid: \$750

1978 Bermuda \$50 PMG Superb Gem Unc 69 EPQ

- 26033 **Bermuda Monetary Authority \$50 1.4.1978 Pick 32b**
A nearly perfect-margined example of the 1978 issue for this tougher denomination. A couple of years have passed since we last offered an example, but none can compare in quality to this note. It is the finest graded by PMG at **Superb Gem Unc 69 EPQ**. (1,500-2,000)
Starting Bid: \$900

- 26034 **Bermuda Monetary Authority \$2 7.5.2007 Pick 50b**
A portrait of a more mature Queen Elizabeth II is featured on this example that has a distinctive touch of Bermuda fauna. PMG **Choice Uncirculated 64 EPQ**. (500-750)
Starting Bid: \$500

- 26035 **Bolivia Banco Industrial de La Paz 5 Bolivianos 1.6.1900 Pick S152fp Face Proof**
The vignette at left of a man on horseback pulling another horse and leading a mule train through the mountains was also used for Ecuador Banco de Quito 1 Peso notes. An Indian with a rifle is depicted at right. "March 1900" was handwritten in pencil on the back, as is common for Proofs. PMG **Choice Uncirculated 64 EPQ**, with five POCs. (500-700)
Starting Bid: \$300

- 26036 **Brazil Thesouro Nacional 200 Mil Reis ND (1874) Pick A248**
A fully penned signature appears on the bottom of this ABNCo-printed note. Early Brazilian issues are scarce in any grade, with few offerings in any given year. PMG grades this piece **Fine 12 Net**, with mention of some edge and internal damage, a tear, and rust. (2,500-3,500)
Starting Bid: \$1,500

An approximate 9.5-by-6-inch album with the words "Republica dos Estados Unidos do Brasil/Caixa de Estabilizacao/Notas Fabricadas e Fornecidas/pela/ American Bank Note Company" on the front cover. This translates to "Republic of the United States of Brazil Stabilization Notes Album Manufactured and Provided by the American Bank Note Company." Uniface ABNCo Proofs are mounted in this album. This would certainly make a great addition to a collection of Brazil notes with this being a complete collection for this issue. The item count for this lot is one album. However, in this album are seven Face and seven Back Proofs. All of the Proofs grade **Crisp Uncirculated**, each with some foxing. (10,000-15,000)

Starting Bid: \$6,000

26038 ABNCo Album with Brazil Vignettes.

A handsome leatherette album designed to store vignette cards that are nine-by-six inches. The front cover is emblazoned with "American Banknote (sic) Company." The die-sunk area with the vignette is approximately 4.5-by-3.5 inches. These vignettes of Brazil include Battle of Guararapes, First Mass in Brazil, Monroe Palace, the Proclamation of Independence of Brazil, and others, for a total of 17 vignette cards. The item count for this lot is one album. (700-900)

Starting Bid: \$413

26039 Brazil Republica dos Estados Unidos Do Brazil 500 Mil Reis ND (1911) Pick 87s Specimen

This note features the prototypical work of ABNCo: a balanced design that is perfectly executed with a lifelike portrait. The margins are healthy, and original paper wave can be seen in the holder. The solid 00000 serial numbers are well embossed. There is a pair of HPCs at bottom right, next to the word SPECIMEN printed in red. PCGS Choice New 63. (1,000-1,500)

Starting Bid: \$600

26041 Brazil Banco do Brazil 90 Mil Reis ND (1810-29) Pick S183

Popular Do Brazil 5 Mil Reis**

- 26043 **Brazil Banco de Credito Popular Do Brazil 5 Mil Reis**
8.3.1890 Estampa 1 Series 1 Pick S551
An excessively rare private-bank-issued note, as Krause only lists it and the other notes of this 1890-92 issue in Proof or Specimen form. Penned signatures are bold on this example that deserves every point of its solid PMG **Choice Very Fine 35** grade. (3,500-5,500)
Starting Bid: \$2,100

- 26044 **Brazil Banco dos Estados Unidos do Brazil Counterfeit? 500 Mil Reis L.** 8.23.1890 Pick S607b

Starting Bid: \$1,200

- 26045 **Brazil Banco de Republica 10 Mil Reis** 23.9.1893 Pick S674r
A number that is not valued at any grade level in Krause. This PMG **Fine 12** example is in a comment-free holder.. (1,000-1,500)
Starting Bid: \$600

- 26046 **British Caribbean Territories Eastern Group \$100 ND**

Starting Bid: \$900

- 26047 **British Guiana Government of British Guiana \$1** 1.1.1929 Pick 6
Earlier issues from this country during British rule are especially difficult to locate these days, especially in a pleasing, problem-free collector grade. PMG **Choice Fine 15**. (800-1,200)
Starting Bid: \$475

- 26048 **British Honduras Government of British Honduras \$1**
1.11.1961 Pick 28b
A pleasing example which remains quite colorful, with margins that carry the grade. PCGS **Superb Gem 68PPQ**. This note carries the more desirable earlier date for the issue rather than the 1964 date as listed on the holder. (500-700)
Starting Bid: \$300

26049 British Honduras Government of British Honduras \$2 1.11.1961 Pick 29b

From a grade standpoint, this is without question the nicest \$2 example we have offered. We have recently had 67PPQ examples trading near \$1000. But recently a small hoard at that grade level has appeared on the market. This lovely note has been graded by PCGS as **Superb Gem New 68PPQ** and will likely realize... (1,000-1,500)

Starting Bid: \$600

26050 British Honduras Government of British Honduras \$2 1.11.1961 Pick 29b

An eye popping PCGS **Superb Gem New 67PPQ** grade is awarded this perennial favorite featuring the portrait of a young Queen Elizabeth II. Margins are wide and attractively even on all four sides. (500-700)

Starting Bid: \$300

26051 British Honduras Government of British Honduras \$5 1.1.1973 Pick 30c

A pleasing note on a more elusive denomination. Over five years have passed since we last offered an example at this grade level. The premiums for notes from here have more than doubled since then. PMG **Gem Uncirculated 66 EPQ**. (700-900)

Starting Bid: \$413

26052 British West Africa West African Currency Board 1 Shilling 30.11.1918 Pick 1a

A PMG **Choice Uncirculated 63 EPQ** note and thus a rare high-grade from this popular issuer. We had a PMG AU 55 Net, previously mounted Pick 1a bring \$1116.25 in September 2014. (1,500-2,000)

Starting Bid: \$900

26053 British West Africa West African Currency Board 20 Shillings 20.2.1957 Pick 10a

A perfect example of this small denomination note featuring coca harvesting on the back. Notes from British West Africa were circulated heavily, and climate was not conducive to preserving banknotes. This is an exciting, original example with excellent intaglio and heavy serial number embossing. PCGS **Choice New 63PPQ**. (1,000-1,500)

Starting Bid: \$1,000

26054 British West Africa West African Currency Board 100 Shillings = £5 26.4.1954 Pick 11b

The highest-issued denomination from this short-lived design, which was later used for the first issues of the Federation of Nigeria. All the delicate colors of the background are well preserved and shine brightly on the stainless paper. A scene of palm harvesting graces the back. A previous example in a PMG Choice Uncirculated 63 grade realized \$2820 in September 2015. This example with better centering is expected to bring just as much heated bidding. PCGS **Very Choice New 64**. (3,000-5,000)

Starting Bid: \$2,600

26055 Burma British Administration 10 Rupees ND (1937) Pick 2b Jhunjhunwalla 5.2.1A

Prefix R/47 is found on this rare note with the black "Legal Tender in Burma Only" overprint located at center on both sides. This issue was in circulation from 1937 to 1950. Very few people in Burma had the luxury of being able to put away perfectly good notes for redemption when this issue was withdrawn. PMG **Choice Extremely Fine 45**, with some staining present and the usual staple holes at issue. (1,250-1,750)

Starting Bid: \$750

26056 Burma Burma State Bank 10 Kyats ND (1944) Pick 20a

A very nice example with full, even margins and bold colors. It is difficult to see why this Gem-looking piece did not earn a Gem grade in the holder. The slightly better grade and PPQ designation will help this piece past the realization of \$587.50 seen by a PCGS 55 in the Ruth Hill Auction. PCGS **About New 58 PPQ**. (600-800)

Starting Bid: \$350

- 26057 **Burma** Military Administration 100 Rupees ND (1945) Pick 29b Jhunhunwalla 5.12.2

A King George VI portrait in dark green note with a lilac underprint. Overprinted in red on face: "Military Administration of Burma" and "Legal Tender only in Burma" with Deshmukh signature. Original paper but with a slight tear and the usual staple holes. PMG **Choice Very Fine 35**. (500-1,000)

Starting Bid: \$300

- 26058 **Burundi** Banque de la Republique 1000 Francs (1968-1975) Pick 25cts Color Trial Specimen

The word SPECIMEN is printed horizontally in black on both sides of this HPC note. The colors are vivid, a pleasing display of one of the nicest designs from the continent. PCGS **Gem New 66PPQ**. (600-800)

Starting Bid: \$350

Scarce 1814 \$1 Army Bill

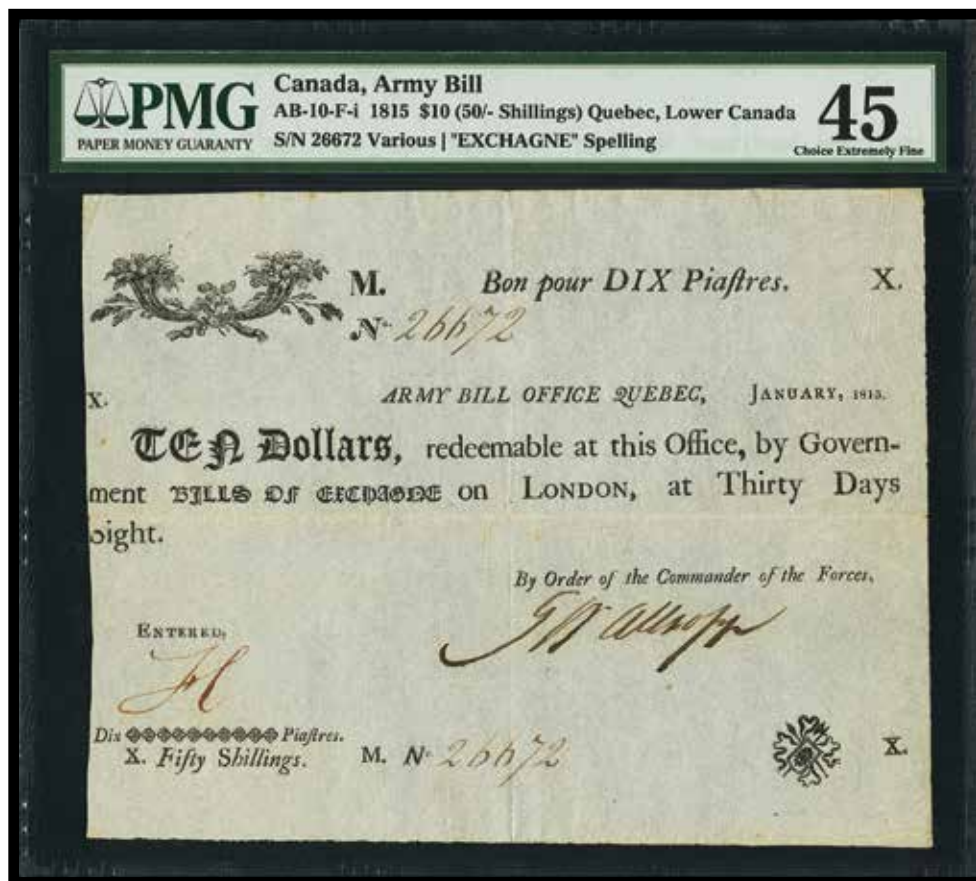

- 26059 **Quebec, LC-** \$1/5s/1 Piastre Army Bill March 1814

An issued example of this note with a faded serial number that is barely readable, while the signature has completely faded. It is still a rare note that is of the lowest denomination of the Third Issue. It is listed as "very rare" in Charlton with an estimate of \$9000 to \$18,000. We have previously only auctioned two examples of all issues of this class of note. This military note saw extensive circulation during the War of 1812, as it was backed by the Crown and redemption could be made in London. The net grade is for repairs, and the foreign substance appears to be an adhesive. PMG **Very Good 10 Net**. (4,500-6,500)

Starting Bid: \$2,700

Very Rare Canada \$10 Army Bill 1815

26060 Quebec, LC- \$10/50s/10 Piafres Army Bill January 1815

The army bills were issued for the purchase of supplies and the payment of troops during the War of 1812. These bearer instruments were legal tender and were issued from the Army Bill Office in Quebec. Charlton lists dates of 1813-15. Each issue within those dates utilized a different format. Pages 4-7 discuss and list these notes in the 26th Charlton edition, but they are not given catalog numbers. All but one example is declared as "very rare" in Charlton, and the lone piece without "very rare" is priced at \$22,000 in VG. The PMG **Choice Extremely Fine 45** note that we are offering is from the last issue for this War of 1812 emergency emission. It is fully issued with its two manuscript signatures, and it is much nicer than any of the examples plated in Charlton. Virtually all of these notes were quickly redeemed in 1815, as they did not earn any interest after that date. The last example to cross our auction block was also of this denomination and date. It graded PMG VF 35 and brought \$17,625 in September 2013. (17,500-22,500)

Starting Bid: \$10,500

26061 DC-8e-ii \$1 1878

The highest-graded example of this number that we have had the opportunity to auction in over nine years. PCGS **Extremely Fine 40**. (1,500-2,000)

Starting Bid: \$900

26062 DC-8e-iii-O \$1 1878C

This Series C example payable at Montreal carries the BABN imprint for Ottawa on the back. PCGS **Very Fine 25**. (700-1,000)

Starting Bid: \$413

26063 DC-10 \$4 1882

Some small rust stains mentioned do not take away from the eye appeal this note still possesses. The overprints remain rather bold as well. PCGS **Apparent Very Good 10**. (2,000-2,500)
Starting Bid: \$1,200

26066 DC-14c \$2 1897

Vignettes of fishing and agriculture are highlighted on this series G note. A minor repair of the bottom margin at center affects nothing. PMG **Very Fine 25** Net. (700-1,000)
Starting Bid: \$413

26064 DC-13c \$1 1898

A pleasing example that has some minor ink on the back, likely from when this note was originally signed. PMG **Very Fine 25**. (500-700)
Starting Bid: \$300

26067 DC-14c \$2 1897

Edward, Prince of Wales (who became King Edward VII upon the death of Queen Victoria in 1901) is featured in a proud stance on this evenly circulated H series example. The light green underprint and countersignature are both strong and vibrant, indicating the note was not put through overly heavy use. PMG **Very Fine 20**, with mention of rust. (700-1,000)
Starting Bid: \$413

Scarce DC-14a 1897 Red-Brown Back \$2

26065 DC-14a \$2 1897

Just 700,000 notes were produced without series and a red-brown back. This piece has been graded as **Very Good 10** by PCGS, with no adverse comments whatsoever. (4,000-6,000)
Starting Bid: \$2,400

26068 DC-18b \$1 1911

A pleasing example of this note, which features the twin portraits of Lord and Lady Grey on the front. PMG **Very Fine 30**, with great color and even wear. (600-900)
Starting Bid: \$350

26069 DC-18d \$1 1911

A colorful and deeply inked example of the black line, no hyphen variety. Lord and Lady Grey are depicted on the front, as Lord Grey served a longer term at the request of the Canadian Government, from 1904 through 1911. PCGS **Very Choice New 64PPQ**. (1,250-1,750)

Starting Bid: \$750

26070 DC-21b \$5 1912

This is a no seal with suffix letter "B" Boville note of the popular Train design. The most recent Charlton catalog prices these at \$2700 in VF. This is the scarcest number of Charlton 21a through g. PMG **Very Fine 20** with a good sized tear. (1,500-2,000)

Starting Bid: \$1,000

26071 DC-22c \$2 1914

This is a Series N note, and it is listed in the Charlton catalog at \$750 in VF. PMG **Very Fine 25**. (700-1,000)

Starting Bid: \$413

26072 DC-26h \$2 1923

We have not auctioned a higher-graded DC-26h since April 2008. PMG **Very Fine 25**. (500-700)

Starting Bid: \$300

Scarce New 62PPQ 1924 \$5 Queen Mary

26073 DC-27 \$5 1924A

This note, which bears a portrait of Queen Mary (the wife of King George V) as its central vignette, was prepared in 1924 and dated May 26th (the Queen's birthday), but it was not printed until 1931 due to a lack of demand for notes of this denomination. The notes were printed between October 1931 and February 1932, but the Finance Department delayed release of these notes until 1934, just before the introduction of the Bank of Canada notes and the withdrawal of Dominion notes. It is estimated that only about one-third of the 2,000,000 pieces were ever released for circulation, and the short time these notes actually circulated made survivors, as the Charlton catalog comments, "very elusive." This piece is one of a mere seven new examples surviving today graded at both services. PCGS New 62PPQ. (20,000-25,000)

Starting Bid: \$15,000

Gem 1935 \$2 French

26074 BC-4 \$2 1935

One of Canada's most popular issues, the French Text notes of 1935 are revered by collectors from coast to coast. The last example at this grade level achieved a realization near the Charlton value of \$12,500. PMG has graded just five \$2 French Text examples **Gem Uncirculated 65 EPQ**, with one example graded higher. Expect a similar result for this well-margined and bright note here today. (12,500-17,500)

Starting Bid: \$7,500

- 26075 **BC-9b \$20 1935**
 Good color and problem-free surfaces grace this Small Seal, English \$20 variety. PMG Very Fine 30. (1,500-2,000)
Starting Bid: \$900

- 26076 **BC-10 \$20 1935**
 A pleasing French example depicting a young Princess Elizabeth with bright surfaces and even margins. The last example we sold at this grade level realized \$3800 in this same grade three years ago. We think that hammer may be exceeded today by this lovely PMG Very Fine 30 note. (4,500-5,500)
Starting Bid: \$2,700

Gem 1935 English \$25 Commemorative

26077 BC-11 \$25 1935

The last realization for an example of this English issue was \$35,000 in April 2014. This denomination was not part of the regular Series of 1935 issue, but was printed as a special commemorative tribute marking the twenty-fifth anniversary of H.M. King George V's accession to the throne. While 140,000 English Text examples were printed, a mere 20,000 of their French Text compatriots were issued. The entire issue was in circulation for only two years, as the Bank of Canada in May 1937 chose to cancel all new \$25 notes and redeem all those in circulation. Of the 160,000 pieces issued in both languages, a total of only 1840 were outstanding by 2006. This note certainly has all of the look to go with the grade. King George V and Queen Mary grace the face, while Windsor Castle adorns the back in royal purple. It is tied with several others at the lofty grade of PMG **Gem Uncirculated 65 EPQ**, with just one higher. (30,000-40,000)

Starting Bid: \$25,000

Serial Number 9 1935 \$25 Commemorative Issue

26078 Serial Number 9 BC-11 \$25 1935

A stunning survivor displaying the single-digit serial number of A000009. The note by itself is highly prized, but coupled with this serial number, it should garner serious collector interest. This is the second lowest serial number we have ever offered for the issue. Despite the small split noticed, this example graded PMG **Extremely Fine 40** should finish near... (9,000-12,000)

Starting Bid: \$5,250

26079 BC-15 \$100 1935

Low serial number A00312 adorns this PMG **Choice Fine 15** \$100 that had a small printing of 87,500. An example with low serial number A00810 in this precise PMG grade cleared \$1750 in our auctions almost three years ago. (1,250-1,750)

Starting Bid: \$750

English 1935 \$1000

26080 BC-19 \$1000 1935

Our offerings of English \$1000 notes have been limited to the same couple of examples on several occasions. Despite the circulation sustained and the splits present, this piece still retains good eye appeal. Overall, a pleasing PMG **Very Fine 25 Net** which should receive considerable attention here today. (6,000-9,000)

Starting Bid: \$3,500

26081 BC-26a \$50 1937

An elusive issue no matter the grade, as just 100,000 notes were printed bearing this signature combination. The comments "retouched" and "minor edge damage" really do not affect how well the note faces up in the holder. PMG **Very Fine 25 Net**. (700-1,000)

Starting Bid: \$600

26082 BC-26c \$50 1937

A nicely preserved example grading PMG **Choice Uncirculated 63 EPQ**. We have not auctioned a BC-26c at this third party grade level in six years. (600-800)

Starting Bid: \$350

Devil's Face \$20 Replacement Note

26083 BC-33aA \$20 1954 Devil's Face Replacement

This was the highest denomination for which replacement notes were issued in this series, with Charlton estimating a total printing of only 7200 replacement examples bearing this signature combination. This piece is one of only five Coyne-Towers replacement notes to be graded by PMG to date, showing attractive color and margins. PMG has assigned a net grade to this pleasing, moderately circulated example for what they consider minor restoration, which appears to be nothing more than a repaired edge split. PMG **Very Fine 25 Net**. (5,500-7,500)

Starting Bid: \$3,250

26084 BC-35b \$100 Devil's Face 1954

Traces of embossing of the right serial number are visible on the back. PCGS **Choice New 63**. (1,000-1,300)

Starting Bid: \$600

26085 BC-44d 1954 \$1000

Great color and exceptionally nice centering are the prime attributes of this 1954 \$1000, which offers a lot of face value for the money. PCGS **Gem New 66PPQ**. (1,500-2,000)

Starting Bid: \$900

- 26086 **BC-44d \$1000 1954**
Plenty of embossing is noticed within the holder. PCGS **Very Choice New 64PPQ**. (1,250-1,750)
Starting Bid: \$750

- 26087 **BC-44e \$1000 1954**
This note features a little tougher signature combination of Thiessen-Crow. PCGS **Very Choice New 64PPQ**. (1,500-2,000)
Starting Bid: \$900

- 26088 **BC-49 \$10 1971 Progress Proof**
An attractive example of this progress Proof of the new \$10 note that was introduced in Canada in the early 1970s. It was intended to replace the 1954 series that was rampantly counterfeited, and this new issue incorporated many new security features. This Proof shows the Coat of Arms of Canada at left, the purple and multicolored tint at center, and a silhouette at right that would eventually hold the portrait of Sir John A. MacDonald. PCGS **Apparent Choice New 63**, with some minor stains on the face and mounting residue on the back. (2,500-3,500)
Starting Bid: \$2,000

- 26089 **BC-61a \$1000 1988**
The first and scarcer of the two signature combinations used on the 1988 Thousands. This appears to be the last series of \$1000 bills to be issued in Canada, as none have been released since May 2000. PCGS **Very Choice New 64PPQ**. (1,500-2,000)
Starting Bid: \$900

- 26090 **BC-61aA \$1000 1988**
This was the last of the \$1000 replacement notes, with this perfectly centered and utterly original beauty as nice as any PMG has graded to date. PMG **Gem Uncirculated 66 EPQ**. (2,500-3,000)
Starting Bid: \$1,500

- 26091 **BC-61aA \$1000 1988 Replacement Note**
A lovely Replacement note from a print run of just shy of 340,000 pieces. Not many have survived in this high state of preservation. PCGS **Gem New 65PPQ**. (2,000-2,500)
Starting Bid: \$1,200

26092 BC-61aA \$1000 1988 Replacement Note

A soft center and light corner fold are the only issues noticed on this note bearing the EKX replacement prefix in the serial number. PCGS **About New 53PPQ**. (1,500-2,000)
Starting Bid: \$1,000

26093 BC-61b \$1000 1988

A \$1000 from the very last Charlton number for this popular denomination, this note grades PCGS **Superb Gem New 67PPQ**. The most recent \$1000 we sold at this third party grade level brought \$2291 in September 2015. (2,000-2,500)
Starting Bid: \$1,200

26094 BC-61b \$1000 1988

Bright, fresh, and very much meriting the PCGS assigned grade of **Gem New 66PPQ**. (1,500-2,000)
Starting Bid: \$900

26095 BC-67a \$5 2006 Mismatched Serial Numbers

An intriguing mismatch error, as the left side serial number reads AOZ1086089 while the right side has an issue with the prefix as well as the number itself displaying BPZ0086089. PCGS **Superb Gem New 67PPQ**. (700-1,000)
Starting Bid: \$413

26096 Charlottetown, PEI- Merchants Bank of Prince Edward Island \$1 Aug. 1, 1889 Ch. # 470-10-04-04

A rare bank that has never graced our auctions before. We can see why by the values for issued notes in Charlton, as it will take at least a mid-four-figure war chest to acquire an example in low grade. Charlton states on page 260 of *Canadian Bank Notes* that when the eighth edition went to press there were only eight examples of this note enumerated, and three of those examples resided in institutional collections. The current note with serial number 50998-A is not listed in the *Canadian Paper Money Society Note Registry 2013*. It grades PCGS **Apparent Good 6**, with a missing upper right corner from the inside frame line outwards. (2,500-3,500)
Starting Bid: \$1,500

26097 Clifton, CW- Bank of Western Canada \$4 Sep. 20, 1859 Ch. # 795-10-12

An example with the penned Richardson signature at right. The minor stains cited on the third-party label are light and hard to find. PCGS **Apparent Extremely Fine 40**. (500-700)
Starting Bid: \$300

26098 Georgetown, British Guiana- Royal Bank of Canada \$5 (£1-0-10) January 3, 1938 Ch. # 630-38-02

This is the first issued note we have had the pleasure of offering from this rare overseas bank. This example has evaded the census takers for many years. Its serial number is 076904, and it now joins the select seven listed in the *Canadian Paper Money Society Note Registry 2013*. PMG Choice Fine 15 Net, with a split at bottom center measuring approximately 5mm. (2,500-3,500)

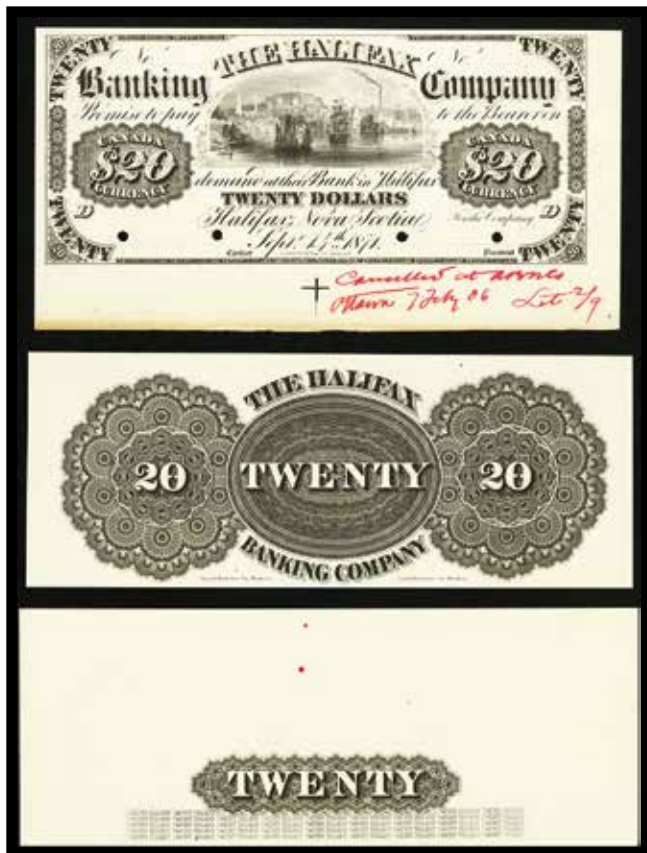

Starting Bid: \$1,500

26100 Halifax, NS- The Bank of Nova Scotia \$50 Jan. 2, 1925 Ch. # 550-28-28P Face Proof

A beautiful black-and-white Proof from this Nova Scotia bank that features a farming scene, with a net grade for a paper pull that we cannot find. PMG Choice Uncirculated 63 Net. (800-1,200)

Starting Bid: \$475

26099 Halifax, NS- The Halifax Banking Company \$20 Sept. 14, 1871 Ch. # 335-14-04-04P Proof

Here is an interesting trio of Proof items related to this issue, including a Face Proof on card with various printer's notations in red ink, a Back Proof on card with a couple of red ink spots, and a Proof counter on card with a red ink mark, most likely from the inspector. All three pieces grade Choice Crisp Uncirculated. (Total: 3 items) (1,250-1,750)

Starting Bid: \$750

Scarce 1909 Bank of Hamilton \$100

26101 **Hamilton, ON- Bank of Hamilton \$100 June 1, 1909 Ch. # 345-20-26**

An elusive denomination which features a seated Britannia with allegorical vignettes of Agriculture and Commerce in the background. According to the Charlton guide, this example may well be one of only two survivors listed for the issue. It has an E overprinted twice. At first glance, the note certainly has the appearance of a VF, as it faces up quite nicely. As with any Canadian rarity, any estimate here is but a guess, but we are inclined to believe this PMG Choice Fine 15 piece will end in the area of... (25,000-35,000)

Extremely Rare Issued Note from Pictou, Nova Scotia

- 26114 Pictou, NS - Pictou Bank \$5 Jan. 2, 1874 Ch. # 595-10-04**
An excessively rare issued note from this obscure and short-lived Nova Scotia institution. Opening in 1873, according to Charlton, this bank's primary accounts were with a local tannery. The tannery suffered a series of losses in the 1880s, precipitating the bank's failure in 1887. While the depositors were made whole, the shareholders of the bank lost a total of \$163,970. Several years ago, we offered a remainder sheet from here, but this is the first issued note that has managed to grace one of our auctions. While tonight's offering has a few small edge splits and tears, it still retains nice color and an overall pleasing appearance, and it presents a great opportunity for the many collectors of Canadian Chartered Bank Notes to add a very tough bank to their holdings. **PCGS Apparent Very Good 10. (4,000-6,000)**
Starting Bid: \$2,400

- 26142 **Cape Verde Banco Nacional Ultramarino 10 Centavos ND (1921) Pick 20**
An early note from the Portuguese overseas territory. The original note was printed with a place of issue of Lourenço Marques, now known as Maputo in Mozambique. As Cape Verde was a small part of Portugal's African possessions, notes for it were prepared by overstriking in this case, rather than creating a new set of plates. These, however, were not in circulation for long, as a new set for Cape Verde was created, and its small denomination meant it was circulated heavily, accounting for its rarity, especially in such a high grade. PMG **Gem Uncirculated 66 EPQ.** (600-800)
Starting Bid: \$350

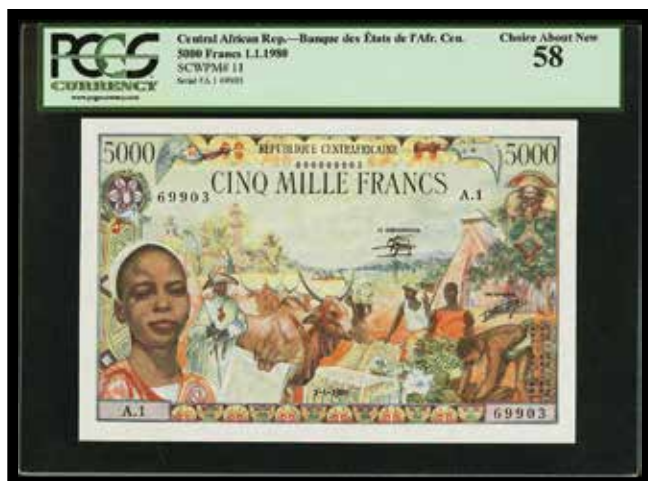

- 26143 **Cape Verde Banco Nacional Ultramarino 5 Escudos 16.11.1945 Pick 41**

Printed primarily in black ink with smaller areas of red observed. The central design on the face includes ten strings of cash coins. The back includes one red and one black square seal overprint. Cuba 500 Pesos 1944 Proofs

26164 Cuba Republica de Cuba 500 Pesos 1944 Pick 75p Face and Back Proofs

A rare note that only exists in Proof/Specimen form. They were printed by the ABNCo, cut out with their printed inventory plate number attached at top, and then mounted on recycled thin cardstock. This was a very common practice at the ABNCo. The inflation associated with World War II produced a possible need for the high denominations of 500 and 1000 Pesos for the Cuban economy, but it was decided to issue just the latter for actual circulation until the former had its official rollout in 1947. A pair of historic notes, with the face grading PMG **Choice Uncirculated 63**. The back, which is typically found printed in red ink, is printed here in green ink and grades PMG **Choice Uncirculated 64**. (Total: 2 notes) (4,500-5,500)

Cuba 1000 Pesos 1945 Specimen

26166 Cuba Republica de Cuba 1000 Pesos 1945 Pick 76s Specimen

A great Cuban rarity from the Certificado de Plata issue. This is the first note of this number that we have auctioned. Well Traveled and Rare Fanning Island 1 Pound Note

26200 **Fanning Island** Fanning Island Plantation £1 ND (1942) Schwan-Boling 1541a1

A classic and storied note from World War II. Fanning Island is located 1000 miles south of Hawaii and was the relay station between Vancouver, Canada and Sydney, Australia. The year 1942 saw American troops first stationed there, and that produced a shortage of currency. Manager R.G. Garrett of Fanning Island Plantations had these notes printed in Hawaii. The notes were eventually withdrawn in 1945 with the conclusion of the war. Full notes such as this one are notoriously difficult to acquire, with only twelve reported. This more recently discovered example bears a lower serial number.

A letter is written on the back that is dated 3/11/1971 along with a postal stamp from Washington Island (Teraina) in the Ellis Islands. The note was picked up by John Fairfax and Sylvia Cook on their trans-Pacific rowing attempt. The inscription is for Randy Payne and his family in Sydney and served as a piece of mail, stuffed in the accompanying envelope in this lot. It offered well wishes and was carried by Fairfax and Cook from Washington Island to Sydney. Their entire trip from San Francisco to Australia took 361 days, making the delivery of this letter and note exceptionally slow, with an incredibly historic story. The previous whole note from Fanning Island we handled was from the Ruth Hill Collection, which realized \$8812. This rare example which piques the interest of collectors everywhere should do just as well. A solid PCGS

The front displays a woman's portrait framed by four creamy white margins. The back design features a peacock and butterflies over geometric designs, a lovely design that is one of the finest from this issuing authority. The lofty grade is second to none and likely to create a stir, possibly crushing the \$700 realization for a PMG 63 in our FUN Auction a few years ago. PMG **Superb Gem Unc 68 EPQ**. (800-1,200)
Starting Bid: \$475

- 26230 **French Somaliland** Djibouti Banque de l'Indo-Chine 1000 Francs ND (1938) Pick 10s Specimen

Starting Bid: \$800

- 26231 **French Somaliland** Djibouti Banque de L'Indochine 1000 Francs ND (1946) Pick 20s Specimen

Starting Bid: \$475

- 26232 **French Somaliland** Djibouti Banque de L'Indochine 1000 Francs ND (1946) Pick 20s Specimen
This design is unlisted in the Krause reference as a Specimen. It is a beautiful note with excellent color and four broad margins. "Specimen" is roulette cancelled into the paper. PMG **Gem Uncirculated 65 EPQ**. (700-900)
Starting Bid: \$413

- 26233 **French West Africa** Banque de l'Afrique Occidentale 1000 Francs 14.12.1942 Pick 32s Specimen
At center, the design features a port with all of the modern technologies of the day. A solid 0 serial number appears, and the word SPECIMEN is overprinted diagonally on the denominations on the face. Pleasing, attractive, and especially high grade. PCGS **Superb Gem New 67PPQ**, with HPCs. (2,000-2,500)
Starting Bid: \$1,200

- 26234 **French West Africa** Banque de l'Afrique Occidentale 5000 Francs 22.12.1950 Pick 43
A large format note with effigies of France and her colonies, surrounded by abundant local flora. The natural paper wave attesting to this note's original surfaces is easily visible through the holder. This example has only seen light touches of circulation, with no heavy folds evident. Embossing is as strong as expected. PMG **About Uncirculated 55**. (1,000-1,500)
Starting Bid: \$800

- 26235 **French West Africa** Banque de l'Afrique Occidentale 5000 Francs 22.12.1950 Pick 43
A beautifully designed note with a trio of women at center, one European and two African, surrounded by fruits and other vegetation. The embossing is unmistakably original and the colors are bold. PCGS **Choice About New 55**. (600-800)
Starting Bid: \$350

- 26236 **Gabon** Banque des États de l'Afrique Centrale 10000 Francs ND (1974) Pick 5a
Deep embossing of the design details can be seen in the holder. The margins are ample and perfect side to side and top to bottom. It should not be hard for this PMG **Gem Uncirculated 66 EPQ** to surpass the \$493 realization of the AU 58 we offered in our last FUN Auction. (600-900)
Starting Bid: \$350

- 26237 **Butterfly Error Georgia** Autonomous Republic 5000 Rubles 1921 Pick 15b
A neat large butterfly fold error affects the face print of this lightly handled pre-hyperinflationary period issue. PMG **Very Fine 30**. (500-800)
Starting Bid: \$300

- 26238 **German East Africa** Deutsch-Ostafrikanische Bank 5 Rupien 15.6.1905 Pick 1
A male and female lion appear at center on this PMG **Very Fine 30**, with minor rust piece. Pre-World War I notes from this German Colony are very colorful. (600-800)
Starting Bid: \$350

- 26239 **Germany Imperial Treasury Note 5 Mark 11.7.1874 Pick 1**
A wonderful early note from Germany featuring cherubs. These notes were heavily circulated due to their small face value and were replaced by later issues. Collectors will be interested to note the umlaut-u is written out as ue (in Fuenf) in the small print on the back. PMG **Very Good 10 Net**, with tape repair and rust damage. (700-900)
Starting Bid: \$413

- 26240 **Germany Imperial Treasury Note 5 Mark 10.1.1882 Pick 4**
Like in India and several other contemporary countries, smaller denomination banknotes were usually issued by the government or treasury. These notes were supposed to be coin replacement notes and were understood to be backed by specie. Hence, almost all notes are heavily circulated, and most were redeemed or replaced by later notes. A warrior in armor is featured on the face. PMG **Very Fine 25**. (600-800)
Starting Bid: \$350

- 26241 **Germany Reichsbanknote 100 Mark 21.4.1910 Pick 42s Face and Back Specimens**
Rare Germany Specimens, as the Krause reference does not list a single Specimen in their General Issues edition. Face and Back Specimens in this lot exhibit natural paper wave and embossing. The face grades **Choice CU**, and the back is **AU**. Red overprints and roulette cancellations translate roughly into "Test prints - worthless." Well, we certainly know that they are not worthless. (Total: 2 notes) (1,000-2,000)
Starting Bid: \$600

- 26242 **Germany Reichsbanknote 100 Billion Mark 26.10.1923 Specimen Pick 128s**
The highest denomination German inflation note, tied with the ultra-rare P-140. Always a prized note for the period collector. This one is in Specimen form with "MUNSTER" printed diagonally across the face. Uniface. Pristine condition. It is hard to see how this note could be any better. PCGS **Gem New 65PPQ**. (1,250-1,750)
Starting Bid: \$750

26243 **Germany** Republic Treasury Note 10 Billionen Mark 1.11.1923 Pick 131a

A very popular and scarce high denomination 10 Billionen Mark example from the 10th Issue of 1923. The thistle watermarks and the blue-green counterfeit deterrent paper are two of the attributes that define this type. Only a light center fold and some signs of modest handling can be found on this otherwise pristine **PMG About Uncirculated 55 EPQ** example. (750-1,000)
Starting Bid: \$450

26244 **Germany** Republic Treasury Note 10 Billionen Mark 1.11.1923 Pick 132a

A simply splendid note that quite realistically may be the finest known example of its type. The word 'embossing' is thrown around a great deal in this hobby and is used to describe any number notes with this attribute. This example is an exception, however, and we really cannot emphasize enough just how wonderful the embossing is on all areas. This very well may be what prompted PMG to give it the 'star' designation. **PMG Superb Gem Unc 67 EPQ★**. (1,200-1,500)
Starting Bid: \$700

26245 **Germany** Republic Treasury Note 5 Billionen Mark 7.11.1923 Pick 136d

Lovely gem example of this 5 Billionen Mark of the small circle/L watermark variety. Boldly inked with attractive color and generously wide margins. **PMG Gem Uncirculated 66 EPQ**. (750-1,000)
Starting Bid: \$450

26246 **Germany** Republic Treasury Note 10 Billionen Mark 1.2.1924 Pick 137

One of the last inflationary issues, this note sports an attractive lilac tint that covers the watermark area. PMG grades it **Choice Uncirculated 64 EPQ**. (800-1,000)
Starting Bid: \$475

26247 **Germany** Republic Treasury Note 10 Billionen Mark 1.2.1924 Specimen Pick 137s

Regular serial numbers appear on this expedient Specimen worth 10 (English) billion, or actually 10 million million Marks. Though the papiermark was subject to heavy inflation, larger denominations such as these are still uncommon. **PCGS Apparent Very Choice New 64**, with minor adhesive remnants. (750-1,000)
Starting Bid: \$450

- 26248 **Germany Republic Treasury Note 20 Billionen Mark 5.2.1924**
Pick 138
A portrait of a woman, by Alfred Durer, graces this attractive late inflationary issue that PMG grades **Choice Very Fine 35** but also cites a small tear on the back of the holder. (1,400-2,000)
Starting Bid: \$825

- 26249 **Germany Republic Treasury Note 5 Billionen Mark 15.3.1924**
Pick 141
The only note printed for the Second Issue of 1924. Germany's economic woes and problems with inflation would largely subside later in 1924 making outrageously large denomination notes like this a thing of the past. Very crisp and wholesome, with terrific color and margins. PMG **Gem Uncirculated 65 EPQ**. (750-1,000)
Starting Bid: \$450

- 26250 **Germany Rentenbank 5 Rentenmark 1.11.1923 Pick 163**
Eye-catching Rentenbank note have always been popular among collectors. The yellow tinted paper on the right-hand side is still vibrant and attractive. Quite worthy of its grade of PMG **Gem Uncirculated 65 EPQ**. (400-600)
Starting Bid: \$240

- 26251 **Germany Rentenbank 10 Rentenmark 1.11.1923 Pick 164**
One of the first issues after Germany's disastrous inflationary period, this colorful, if not plain, note has a green tint across the right end. PMG grades it **Gem Uncirculated 65 EPQ**. (500-750)
Starting Bid: \$300

- 26252 **Germany Rentenbank 10 Rentenmark 3.7.1925 Pick 170**
The 1925 Rentenbank issues are all relatively scarce due to the fact that fewer of these were printed and issued as a result of Germany's economic recovery earlier in 1924, decreasing the need for these stabilization notes. This example has been evenly circulated with much of its green tint still visible. PMG **Very Fine 30**, with a small internal tear in the upper right corner. (500-750)
Starting Bid: \$300

- 26253 **Germany Rentenbank 50 Rentenmark 6.7.1934 Pick 172**
A well-embossed note with excellent texture and paper surfaces. A light center fold can just be made out through the holder. PMG **About Uncirculated 50**. (750-1,000)
Starting Bid: \$450

- 26254 **Germany** Latvian D(isplaced) P(ersons) Center Lauingen 1 UNRRA Unit ND (1946) UNL
A center for Latvians not listed in Campbell, Feller, or Schwan-Boling. PMG **Choice Uncirculated 63 EPQ**. (500-700)
Starting Bid: \$300

- 26255 **Germany** Polish D(isplaced) P(ersons) Center Luitpold Dillingen 2 UNRRA Unit ND (1946) Campbell UNL Feller GE-1756 Schwan-Boling SB132
A rare piece, as the denomination is not listed for this center in Campbell and there is not a description in the Feller reference. It is found on page 387 of Schwan-Boling. PMG **Choice Uncirculated 64**, with a foreign substance on the back, which is minor. (500-700)
Starting Bid: \$300

- 26256 **German States** Bayerische Notenbank 100 Mark 3.11.1875 Pick S921 Face and Back Proofs
The design is colorful on both Proofs, with the face bathed in a blue protector and the back featuring a blue-and-light-brown design. Both pieces are mounted on cardstock and feature original embossing. PMG **Choice Uncirculated 63**, with mention of a paper pull (which is small) on the Face Proof. (Total: 2 notes) (600-900)
Starting Bid: \$350

- 26257 **Germany Federal Republic** 2 Deutsche Mark 1948 Pick 3a
Issued under U.S. Army Command in 1948, this lilac and blue-green underprint 2 Mark note was printed by Tudor Press of Boston. PMG grades this note **Choice Uncirculated 64 EPQ**. (400-500)
Starting Bid: \$240

26258 Germany Federal Republic 10 Deutsche Mark 1948 Pick 5s2 Specimen

A rarely seen expedient Specimen with original serial numbers and a "MUSTER" stamp. These notes were delivered from the American Bank Note Company and were overprinted by the issuing authority (then the Bank deutscher Länder) and distributed to various banks as a sample of the new currency. A rare and coveted variety. PMG **Choice Uncirculated 64 EPQ**. (600-800)

Starting Bid: \$350

26259 Germany Federal Republic 20 Deutsche Mark 1948 Handstamped "B" in Circle Pick 6b

A note that was issued by the Bank Deutsche Lander. These DM notes were released at the same time as those in Western Germany, but the "B" notes were prepared specifically for West Berlin. Higher denomination Berlin notes are very elusive in any condition. PMG **Very Fine 30 Net**, with a foreign substance. (500-700)

Starting Bid: \$300

26260 Germany Federal Republic 20 Deutsche Mark 1948 Pick 6s2 Specimen (MUSTER)

A matching Specimen serial 1003 appears on this higher denomination example from the first series of the Deutsche Mark. The intaglio embossing, attesting to the quality of American Bank Note Company notes, remains strong. PMG **Choice About Uncirculated 58 EPQ**. (600-800)

Starting Bid: \$350

26261 Germany Federal Republic 50 Deutsche Mark 1948 Pick 7a

Part of the post-war Allied Occupation U.S. Army Command issue, this attractive purple-and-multicolor note was printed by ABNCo (without imprint). PMG grades it **About Uncirculated 55**. (500-700)

Starting Bid: \$300

26262 Germany Federal Republic 50 Deutsche Mark 1948 Pick 7s1 Specimen

A pleasing note likely printed for the U.S. Army command, as SPECIMEN is printed in red on both counters rather than the German standard MUSTER. Two sets of nine-0 serial numbers are also present. PMG **Superb Gem Unc 67 EPQ**. Two POCs. (500-700)

Starting Bid: \$300

26263 Germany Federal Republic 50 Deutsche Mark 1948 Pick 7s1 Specimen

The final example in our trio of expedient Specimens, all with the stamped number 1003. As the first Deutsche Mark notes were quickly issued to hinder the growth of the black market and rebuild the German economy, no specific vignettes were designed. Hence, the depictions on this series were generic depictions that the American Bank Note Company had on hand, and thus the same vignettes could be seen on other ABNCo products. **PMG Choice About Uncirculated 58. (600-800)**
Starting Bid: \$350

26264 Germany Federal Republic 100 Deutsche Mark 1948 Pick 8s3 Specimen

A high grade example which does not exactly match the Specimen notes listed in SCWPM but is likely quite elusive. **PMG Superb Gem Unc 67 EPQ. Two POCs. (500-700)**
Starting Bid: \$300

26265 Germany Federal Republic 20 Deutsche Mark ND (1948) Pick 9a

A rare note and especially so above VF, as at this time few post-war West Germans had the capability of putting aside this denomination. Similarity with United States MPCs is due to the fact that this denomination was printed by Tudor Press without an imprint. This is also an unusual issue, as the notes lack an issuing authority and signatures. In *World War II Remembered*, this is Schwan-Boling 659a. **PMG About Uncirculated 55 EPQ. (1,250-1,750)**

Starting Bid: \$750

26266 Germany Federal Republic 20 Deutsche Mark ND (1948) Pick 9a

A second example of this very scarce postwar issue that shows even wear and very nice color for the grade. **PMG Very Fine 30. (800-1,200)**

Starting Bid: \$475

26267 Germany Federal Republic Deutsche Bundesbank 10; 1000 Deutsche Mark 2.1.1980 Pick 21d; Pick 36b

A nice pair of modern German notes, with the 10 DM piece grading **Choice CU** and the very rare 1000 DM grading **Choice AU**. Exchange rate for 1010 DM to US dollars is close to \$550 for this lot. The Deutsche Bundesbank has guaranteed that all German marks in cash form may be changed into Euros indefinitely, and one may do so in person at any branch of the Bundesbank in Germany. *There will be no returns on this lot for any reason.* (Total: 2 notes) **(800-1,100)**

Starting Bid: \$475

26268 Germany Federal Republic Bundesbank 50 Deutsche Mark 2.1.1960 Pick 21s Specimen

A stellar example of the first series issued under the newly formed Deutsche Bundesbank. Hans Urmiller is featured. PCGS **Apparent Very Choice New 64**, with mounting remnants on back. (600-800)

Starting Bid: \$350

26269 Germany Federal Republic Bundesbank 100 Deutsche Mark 2.1.1960 Specimen Pick 22s

The most popular denomination of the DM, which has spiritually maintained its status with the 50 Euro note. This 0 serial number Specimen has clean, fresh paper and only light handling as it was most likely passed around with its 1000 DM companion. A pair of photographs of the note is included. PMG **Choice About Uncirculated 58 EPQ**. (500-700)

Starting Bid: \$300

26270 Germany Federal Republic Bundesbank 1000 Deutsche Mark 2.1.1960 Pick 24s Specimen

The highest denomination, bearing the first date of authorization and Specimen status. Johann Schoener is featured prominently as the main figure as well as in the watermark. A presentation Specimen that is well preserved and deserves every point of its PCGS **Choice New 63** grade. (1,000-1,500)

Starting Bid: \$600

26271 Germany Federal Republic Bundesbank 1000 Deutsche Mark 2.1.1960 Specimen Pick 24s

The highest denomination, bearing the first date of authorization and Specimen status. Johann Schoener is featured prominently as the main figure, as well as in the watermark. A working Specimen that was passed around the printing works and the Bundesbank, with the paperclip in the watermark area leaving a bit of rust. One can only wonder what decisions this note helped make at the government agencies. A pair of photographs of the note is also included. PMG **About Uncirculated 55 Net**, with rust. (500-700)

Starting Bid: \$300

26272 Germany Federal Republic Bundesbank 1000 Deutsche Marks Pick 44a

One of the most desirable of all modern German notes. There are faint signs of handling and some light soiling on the back along the upper margin. **Choice About Uncirculated**. (800-1,000)

Starting Bid: \$475

- 26273 Great Britain Bank of England Operation Bernhard Counterfeit £10 Oct. 16, 1935 Pick 336B**
 In 1942, German SS Major Walter Bernhard Kruger assembled a group of Jewish artists, engravers, printers, and technicians in Sachsenhausen Concentration Camp in order to counterfeit British paper money. This note was the result of their clandestine work. Operation Bernhard blocks for this denomination are K102-184, K187-199, L100-107, V105-153, and V163-170 as listed on page 164 in *World War II Remembered* by C. Frederick Schwan and Joseph E. Boling. This K156 note with palindrome serial number 59459 grades PMG **Very Fine 25**, autographed by Adolf Burger, Jack Plapler, and Hans Walter. These three gentlemen are Operation Bernhard survivors. Mr. Burger's memoirs were the basis for the screenplay for the movie *The Counterfeiters* (2007), which won an Academy Award in 2008 for "Best Foreign Language Film." Mr. Plapler has lived in Berlin since the war, and Mr. Walter is the only Operation Bernhard survivor who lives in the United States. A folder with an extensive amount of information on Operation Bernhard and these survivors is included with this note. This note is encapsulated with recent pictures of these three men. This lot would be a great World War II addition to any collection. The item count for this lot is two: one note and one folder. (Total: 2 items) (1,000-1,500)
Starting Bid: \$600

- 26274 Great Britain Treasury Note 10 Shillings ND (1914) Pick 346**
 A pleasing, deeply inked Bradbury note printed on postage paper. Because of this the notes did not last long in circulation, and a second issue was soon after released on thicker paper. PMG **About Uncirculated 50**. (800-1,200)
Starting Bid: \$475

- 26275 Great Britain Bank of England £5 ND (1963-71) Pick 375s Specimen**

There are two HPCs at bottom and the solid zero serial numbers. In the bottom margin are some partial dates stamped onto the paper, indicated as printer's dates by the grading service. PMG Gem Uncirculated 66 EPQ. (750-1,000)

Starting Bid: \$450

Starting Bid: \$350

26282 Greenland 100 Kroner 16.1.1953 Credit Notes Pick 21s Specimen

Superb Gem is a grade used for only the finest and near-perfect surviving notes. This piece is as close to perfect as one will find in World Paper Money. The 69 grade, however, is essentially an indicator of perfection. Margins are exactly even from side to side and top to bottom. The colors are as fresh as the day the note was printed, and the paper is free of even the slightest hint of handling. Expect a protracted bidding war for this PMG Superb Gem Unc 69 EPQ 100 Kroner note. At center is the diagonal roulette-cancelled word SPECIMEN. (1,500-2,000)

Starting Bid: \$900

Starting Bid: \$750

- 26287 **Guernsey** States of Guernsey £1 9.6.1939 Pick 16a
A rare, early design from the Crown possession. As is the case today, these notes circulated with English money (at the time specie coins, Bank of England notes and HM Treasury notes). Despite circulation, the paper remains strong on this PMG **Very Fine 20** example. (800-1,000)
Starting Bid: \$475

Very Rare Issued and Cancelled Hawaii \$10 Silver

26288 **Hawaii** Kingdom of Hawaii Department of Finance \$10 Silver Certificate of Deposit ND (1880) Pick 1b

Quite simply a rare note. These notes, executed originally with an orange underprint, were the first to be issued by what was about to become the Republic of Hawaii. This design was later used for notes issued under the name of the Republic, but this was the first. This note has served its duty in commerce and has been redeemed, hence the cut-out cancellations. A rare and historically important example, which is also the first we have handled. In January of 2013, we sold a similarly though lower graded \$20 example for \$17,625. This note may very well sell for a bit more. PCGS **Very Good 8**, cut-out cancelled. (17,500-22,500)

Starting Bid: \$10,500

 5 Palestine Pounds ND (1948-51) Pick 16s Specimen **Uncirculated**;
 10 Palestine Pounds ND (1948-51) Pick 17s Specimen **Uncirculated**;
 50 Palestine Pounds ND (1948-51) Pick 18s Specimen **Uncirculated**.

The five Specimens are found in an 11.5-by-7.5-inch gray album with the cover printed in Hebrew and a piece of scotch tape in the lower left corner. Each Specimen is mounted in a "window" within the sturdy black pages so that both sides can be viewed. Each has "Specimen" overprinted twice on both sides, and each also has two POCs. The Specimens have been inserted upside down in relationship to the cover and also in reverse denomination order. A smaller mounted information page printed in German is also included. It tells us that these ABNCo Specimens are from the August 1, 1948 Series that was in use until September 1951. Next, the printing amounts for each of the five denominations are listed. The next line tells us that these notes were withdrawn in June 1953. The last line informs us that the Anglo-Palestine Bank has released less than ten of these albums. A great lot for the serious collector of this part of the world. (12,500-17,500)

(800-1,000)
Starting Bid: \$475

- 26358 **Netherlands** De Nederlandsche Bank 1000 Gulden 15.7.1956 Pick 89s Specimen
Owing to its high face value (\$263 when it was issued or \$619 today if it was still exchangeable), not many of these Rembrandt notes were saved. The design and level of art on the face and especially the back would be worthy of the master himself. Certainly a note that ought to be better enjoyed from the back. PMG **Extremely Fine 40**, with staple holes. (1,500-2,500)
Starting Bid: \$900

- 26359 **Netherlands** Ministerie Van Oorlog 25 Gulden ND (1945-59) Pick M3

Starting Bid: \$350

Incredibly Rare Panamanian 1941 10 Balboas

26379 Panama Banco Central de Emission 10 Balboas 1941 Pick 24a

Notes from this issue are highly sought. The Conquistador on the 1 Balboa note is an iconic Central American design that top collector's want lists. The 10 Balboa note is far rarer, with auction appearances a few years apart on average. We are surprised another example appeared at auction so soon after the one in mid-2014 popped up. We may be in store for another drought. That example, a PMG VF 35, brought more than \$15,000 at auction. This piece is a solid PMG **Very Fine 25**, with solid colors and problem-free paper. A lovely and scarce note that should command... (9,000-12,000)

Starting Bid: \$9,000

A superior note that will be a stunning example for any collection. **PMG Choice Uncirculated 64 EPQ★. (500-700)**
Starting Bid: \$300

26382 Philippines Bangko Sentral 2000 Piso 1998 Pick 189sp Specimen Proof

We had a PCGS Apparent 20 Pick A2b bring \$705 in September 2014. A couple of minor stains have been cited by PMG, but they affect little. **(500-700)**
Starting Bid: \$300

In April 2014, we sold a Gem remainder in the Ruth Hill Collection for \$1527.50. PMG **Choice Uncirculated 64**. (800-1,200)
Starting Bid: \$475

26390 Poland Bank Polski Government in Exile 100 Zlotych 1939 Pick 85s Specimen

A wonderful interplay of shading graces this note printed in a single color. WZOR is overprinted in black on both sides on this specimen note. PMG **Gem Uncirculated 66 EPQ**. (1,000-1,500)

Starting Bid: \$600

Government in Exile 1939 500 Zlotych

26391 Poland Bank Polski Government in Exile 1939 500 Zlotych Pick 86s Specimen

Starting Bid: \$600

26393 Poland Bank Polski Government in Exile 50 Zlotych 1939 Pick 88r Remainder

The higher denomination from the second authorization, printed by the ABNCo. These notes were also delivered to Poland after the war but were deemed unnecessary after the change in politics. Like the British printed notes, only 1000 regular pieces were kept along with 1000 "WZOR" overprinted specimens, with all others destroyed. A superbly attractive example prepared on planchette paper. PMG **Choice Uncirculated 64**. (1,000-1,500)

- 26398 **Portugal** Banco De Portugal 1000 2.4.1965 Pick 171s Specimen
A striking Specimen note featuring a representation of Dom Diniz (or Dinis) at right. He was Portugal's sixth King. Although he advanced Portugal in a number of ways, his prime concern was the rural infrastructure, and that earned him the nickname Farmer King. His image is also featured as the watermark on this example. The vignette on the back illustrates the founding of the University of Lisbon in 1290. This is a modern rarity in issued form, and examples have only appeared in our auctions on a very sporadic basis. PMG **Choice About Unc 58 EPQ**. (1,500-2,000)

- 26399 **Portugal** Banco De Portugal 500 Escudos 4.10.1979 (1982) Pick 177s Specimen

Starting Bid: \$413

- 26400 **Portugal** Banco Allianca 100,000 Reis ND (1870-79) Pick S145r Remainder

Starting Bid: \$600

- 26401 **Portuguese Guinea** Banco Nacional Ultramarino 50 Escudos 30.6.1964 Pick 40a
100 Escudos 30.6.1964 Pick 41a
A pair of well-preserved notes issued for Portugal's possessions in West Africa. Fine line details are sharp and crisp, as expected of Bradbury Wilkinson notes. Both examples share the high PMG **Choice Uncirculated 64** grade. (Total: 2 notes) (600-800)
Starting Bid: \$350

- 26402 **Mismatched Serial Number Portuguese India** Banco Nacional Ultramarino 1 Rupia 1.10.1917 Pick 21A Jhunhunwalla 12.11.2
Notes from this popular country issuer routinely receive aggressive bidding in our auctions. That will especially be true with this mismatched serial number example, as the serial at left is 000,001 and at right it is 500,000. PMG **Choice Uncirculated 64**, with an ink annotation in the upper left margin. (2,000-4,000)
Starting Bid: \$1,200

- 26403 **Puerto Rico** Ministerio de Ultramar 17.8.1895 Pick 7a
The full counterfoil is seen on this popular example with bright colors. The even margins framing this note have been recognized, and this is the sole finest example graded by PMG. **PMG Gem Uncirculated 66 EPQ.** (500-700)
Starting Bid: \$300

- 26404 **Puerto Rico** Bank of Puerto Rico/Banco de Puerto Rico 5 Dollars 1.7.1909 Pick 47b
Series F was the final series of paper money for this bank. This series was printed by the ABNCo with bilingual text. The bank's charter was granted by Spain, and it expired in 1913. The bank was then closed, and its assets were liquidated. "Americanization" of Puerto Rico's economy into the United States' currency system was now complete. Many notes of this issue were collected by the government and burned in January 1925. **PMG Very Fine 20 Net**, with five POCs, a stamp cancellation of "Aug 9 1933," rust, and a pencilled annotation. (1,000-1,500)
Starting Bid: \$600

Bank of Porto Rico \$5 Specimen Proof

- 26405 **Puerto Rico** Bank of Puerto Rico in San Juan \$5 1.7.1907 Pick 47sp Specimen Proof
A Series F Specimen Proof plated on page 247 for lot 1166 of the ABNCo archives auction catalog of November 1990. A portrait of Columbus is at left, "United States of America" is at upper left, and official notations appear in the margins and on the back. We can also see that at this time, both English and Spanish text had not been implemented for this note. This historic example grades **PMG Choice Uncirculated 64 Net**, unaffected by issues of cardstock, printer's annotations, and a foreign substance. The latter is an adhesive for when a Puerto Rico state seal was once applied to this Specimen Proof. The bottom margin adds credence to our thinking on this point, as there is an addenda written in red ink that says, "OK L.B.G. Nov. 6, 1907 Engrave new seal." Apparently this new seal was engraved and glued to this neat item. Gluing devices to Proofs is a common practice for notes in the design stages. This highly desirable lot will be hotly contested, as it will draw considerable interest from both United States and World collectors. (15,000-25,000)
Starting Bid: \$9,000

- 26406 **Qatar & Dubai** Currency Board 1 Riyal ND (1960) Pick 1a

10 Nouveaux Francs on 500 Francs ND (1971) Pick 54b This

1,000)
Starting Bid: \$500

20 Nouveaux Francs on 1000 Francs ND (1967) Pick 55a
A stunning example of this overstamped changeover note
which was in circulation for only a short time. Strong colors
and stainless paper appear on this example which has seen
only the lightest handling in commerce. PMG **Choice About**
Uncirculated 58, with stains mentioned. (600-800)
Starting Bid: \$350

- 26410 **Reunion** Institut d'Emission des Departements d'Outre-Mer

Starting Bid: \$600

All notes of this series used the same vignette in different formats. A superior and well-preserved example with strong embossing. Three punch-out cancels are visible. PMG **Choice Uncirculated 63 Net**, previously mounted. (1,500-2,500)

Starting Bid: \$350

- 26420 **Saint Pierre and Miquelon** Caisse Centrale de la France d'Outre-Mer 1000 Francs ND (1950-60) Pick 28s Specimen
Despite its undoubtedly "tropical" look, this Specimen was intended to be issued for the French overseas collectivity just off the coast of Newfoundland, Canada. Starting Bid: \$350

- 26429 **Seychelles** Government of Seychelles 50 Rupees 1.1.972 Pick 17d
A classic, near-Gem example of this SEX design, where the palm tree vignette is a little inappropriate. The last example we offered in this grade nearly hit the \$1000 mark. PMG **Very Choice New 64 EPQ**. (800-1,200)
Starting Bid: \$475

- 26430 **Seychelles** Government of Seychelles 50 Rupees January 1, 1972 Pick 17d
This is a well-preserved example of the very desirable "SEX" note in high grade. The infamous palm fronds at right spell the word "SEX." This is a rare note in high grade because this design saw extensive circulation before the engraving "joke" was noticed by the public and the authorities. PCGS **Gem New 65PPQ**. (1,250-1,750)
Starting Bid: \$1,000

No dates or offices of issue are present on this Color Trial Specimen of a note eventually printed with a green underprint and back. PMG **Choice About Uncirculated 58 Net**, previously mounted, with staining. (1,000-1,500)
Starting Bid: \$600

26435 South Africa Standard Bank £5 ND (1900-20) Pick S423s Specimen

High Grade Central Africa Currency Board Issue

26438 Southern Rhodesia Central Africa Currency Board 10 Shillings 10.9.1955 Pick 16

A lovely note from this short-lived issue that was only current for a year before being succeeded by the notes of the Bank of Rhodesia and Nyasaland. This is only the second example from this rare 1955 issue to ever appear in one of our auctions and the first of this denomination. It is a well-margined and embossed note that appears new within its PCGS holder. Four years ago, we sold a £5 example from this issue graded PMG Very Fine 25 for almost \$2000. We fully expect this beautiful PCGS **Choice About New 58** note to more than double that figure. (5,000-7,000)

Starting Bid: \$4,500

26439 Spain Banco de Espana 50 Escudos Dec. 1, 1871 Pick UNL Face Proof

Starting Bid: \$300

Extraordinarily Rare 500 Pesetas

26441 Spain Banco de Espana 500 Pesetas 1.4.1880 Pick 22

It was unusual for monetary authorities to forego royalty and politicians for portraits on the paper money of yesteryear. At left on this 500 Peseta note is the portrait of Claudio Coello. The entire issue featured oversized portraits and was a short-lived and now highly prize issue. Fibers are inlaid along the right third of the note, over a denomination watermark. With few examples available to collectors outside of institutions, we expect this eye-appealing PCGS **Apparent Very Fine 30** to be one of the standouts in this auction. (25,000-35,000)

Starting Bid: \$20,000

- 26442 **Spain** Banco de Espana 25 Pesetas 1884 1.1.1884 Pick 24
A scarce 1884 First Issue 25 Pesetas note that has excellent color and paper surfaces. There is a charming vignette of three young girls on the face and the Spanish royal insignia on the back. Graded PCGS **Apparent Extremely Fine 45** due to minor restorations which can be seen along the top margin. (800-1,000)
Starting Bid: \$475

- 26443 **Spain** Banco de Espana 50 Pesetas 1.1.1884 Pick 25
Another very pleasing and quite rare Spanish note from this auction offering. This note is ornate, filled front and back with finely printed and excellently detailed designs executed by the American Bank Note Co. The paper is problem free and the margins are solid. A lovely PCGS **Extremely Fine 40**. (1,250-1,750)
Starting Bid: \$750

- 26444 **Spain** Banco de Espana 50 Pesetas 1.7.1884 Pick 30
This is the first note of any denomination that we have ever had the pleasure of handling from the Spanish 1884 Second Issue, a telling sign as to how its scarcity. Bravo Murillo, the highly revered statesman, is prominently displayed in this nicely framed example graded PCGS **Apparent Very Fine 35** due to staining and annotations on the back. (1,500-2,500)
Starting Bid: \$900

- 26445 **Spain** Banco de Espana 25 Pesetas 1.6.1889 Pick 39
The counterfoil at left is an interesting feature and early anti-counterfeiting measure, which likely worked well. A small split at top center distracts little from the overall pleasing appearance of this early Spanish note. PCGS **Apparent Very Fine 35**. (750-1,250)
Starting Bid: \$450

Rare and Original 1895 1000 Pesetas

26446 Spain Banco de Espana 1000 Pesetas 1.5.1895 Pick 45

This rare high denomination is special in that it survived without problems that larger format notes inevitably acquire through storage and use. The colors remain bold, with a fiber inlay over the 1000 watermark in the left edge. The paper remains bright and is wholly original. With no recent sales that we could locate, we expect this PCGS **Extremely Fine 45PPQ** should easily meet or exceed... (3,000-4,000)

Starting Bid: \$1,800

26447 Spain Banco de Espana 50 Pesetas 30.11.1902 Pick 52

This lovely note boasts bright white paper and deeply printed design details. The lack of immediately visible folds give this note an appearance of a much higher grade. A rarity in any grade, especially a top end VF. PCGS **Apparent Very Fine 35**, with mention of a small edge repair at bottom. (2,000-3,000)

Starting Bid: \$1,200

Elusive 1907 1000 Pesetas

26448 Spain Banco de Espana 1000 Pesetas 10.5.1907 Pick 61a

An ornately designed note from Spain issued during the early years of the 20th Century. All fine lines are sharp, and the note retains its original outstanding colors. These locally printed notes did not circulate to the same degree as their contemporaries printed by Bradbury Wilkinson, and they are rare in any condition. A very attractive piece. PMG **Choice Extremely Fine 45**, with a small tear and retouching. (3,500-5,000)

Starting Bid: \$2,100

26449 Spain Banco de Espana 1000 Pesetas 15.7.1907 Pick 66a

An original note featuring a wonderfully ornate vignette supported by cherubs and paired with a rainbow background. The excellent condition that preserves all of its original paper and colors accentuates this example. A previous Extremely Fine 45 example that we handled sold for over \$4000. This PMG **About Uncirculated 55 Net** example with split repairs is expected to perform better. (3,500-5,000)

Starting Bid: \$2,100

Starting Bid: \$900

Beautiful 1931 1000 Pesetas

26451 Spain Banco de Espana 1000 Pesetas 25.4.1931 Pick 84Aa

A beautiful Bradbury-Wilkinson printing with a likeness of poet Jose Zorrilla in the upper left of the front and a scene with him reading to an assembled multitude on the back. The note was unissued, but a number of high-grade pieces have come on the market in the past decade. Still, a much sought-after high denomination issue from the 1930s. PMG Choice Uncirculated 64 EPQ. (3,000-5,000)

Starting Bid: \$1,800

- 26452 **Spain** Banco de España 25 Pesetas 31.8.1936 (1938) Pick 87b A colorful example of this 25 Pesetas note that represents the much scarcer Series A variety, this example features wide margins and superb paper surfaces. PMG **Gem Uncirculated 65 EPQ.** (500-700)

- 26453 **Spain** Banco de España 5 Pesetas 21.11.1936 Pick 97a A rare note and definitely so above the grade of VF. This PMG **Extremely Fine 40** example should command a winning bid in the range of... (1,000-1,500)

Early and Rare Republic 5 Peso Note

26477 Venezuela Republic de Venezuela 5 Pesos 3.4.1861 Pick 20

An unlisted date five months after what is listed in the *Standard Catalog* appears on this rare early example from the popular Bolivarian Republic. These bond instruments payable with a quarter percent were issued during the Federal War between the Federal and Conservative governments. As expected of debt instruments, the majority of these issues were redeemed at the end of the war. A line of modern text shows on the back, accounting for its apparent grade, but it does not detract from the perfect paper and printing of this historical example. PCGS **Apparent Extremely Fine 40**, with modern printing on back. (4,000-6,000)

Either way, the central features of the note can still easily be discerned. On the back is the MUSTER overprint that denotes its status as a Specimen. PCGS **Apparent Choice About New 58**. (400-500)
Starting Bid: \$240

- 26719 Germany Rentenbank 1 Rentenmark 1.11.1923 Pick 161
Whereas the notes from the Reichsbank go up into the billions of marks, the Rentenbank was meant to curb the rabid inflation occurring in Germany during the 1920s and issued notes only as high as 1000 Marks. From a pure scarcity standpoint, this note offered here is seen far less often in high grade than many of the eye-catching high denomination Reichsbanknotes. **About Uncirculated**. (75-125)

- 26720 Germany Rentenbank 5 Rentenmark 2.1.1926 Pick 169

The 10 Reichsmark notes were phased out rather quickly and were all but removed from circulation within a couple of years, making it difficult for today's collectors to find wholesome examples like the one offered here. (150-250)
- 26722 Germany Reichsbanknote 10 Reichsmark 11.10.1924 Pick 175

This genuine note is printed on unwatermarked paper per page 85 of *Prisoner of War and Concentration Camp Money of the 20th Century* by Lance K. Campbell. This example is of the variety where "RM" has "vertical legs." The Feller and Schwan-Boling numbers are correct on the third party label, but the statement "M" of "RM" with Splayed Legs" is incorrect, as this is a note where "RM" has "vertical legs" note. The illustrations on page 84 of the Campbell reference will clear this up. PMG **About Uncirculated 55 EPQ**. (200-300)

- 26747 **Germany Federal Republic** US Army Command 2 Mark 1948 Pick 3b

Terms and Conditions of Auction

Auctioneer and Auction:

1. This Auction is presented by Heritage Auctions, a d/b/a/ of Heritage Auctioneers & Galleries, Inc., or Heritage Auctions, Inc., or Heritage Numismatic Auctions, Inc., or Heritage Vintage Sports Auctions, Inc., or Currency Auctions of America, Inc., as identified with the applicable licensing information on the title page of the catalog or on the HA.com Internet site (the "Auctioneer"). The Auction is conducted under these Terms and Conditions of Auction and applicable state and local law. Announcements and corrections from the podium and those made through the Terms and Conditions of Auctions appearing on the Internet at HA.com supersede those in the printed catalog.

Buyer's Premium:

2. All bids are subject to a Buyer's Premium which is in addition to the placed successful bid:
- Fifteen percent (15%) on Domain Names & Intellectual Property Auction lots;
- Seventeen and one-half percent (17.5%) on Currency, US Coin, and World & Ancient Coin Auction lots, except for Gallery Auction lots as noted below;
- Nineteen and one-half percent (19.5%) on Comic, Movie Poster, Sports Collectibles, and Gallery Auction (sealed bid auctions of mostly bulk numismatic material) lots;
- Twenty-two percent (22%) on Wine Auction lots;
- For lots in all other categories not listed above, the Buyer's Premium per lot is twenty-five percent (25%) on the first \$100,000 (minimum \$14), plus twenty percent (20%) of any amount between \$100,000 and \$1,000,000, plus twelve percent (12%) of any amount over \$1,000,000.

Auction Venues:

3. The following Auctions are conducted solely on the Internet: Heritage Weekly Internet Auctions (Coin, Currency, Comics, Rare Books, Jewelry & Watches, Guitars & Musical Instruments, and Vintage Movie Posters); Heritage Monthly Internet Auctions (Sports, World Coins and Rare Wine). Signature® Auctions and Grand Format Auctions accept bids from the Internet, telephone, fax, or mail first, followed by a floor bidding session; HeritageLive! and real-time telephone bidding are available to registered clients during these auctions.

Bidders:

4. Any person participating or registering for the Auction agrees to be bound by and accepts these Terms and Conditions of Auction ("Bidder(s)").
5. All Bidders must meet Auctioneer's qualifications to bid. Any Bidder who is not a client in good standing of the Auctioneer may be disqualified at Auctioneer's sole option and will not be awarded lots. Such determination may be made by Auctioneer in its sole and unlimited discretion, at any time prior to, during, or even after the close of the Auction. Auctioneer reserves the right to exclude any person from the auction.
6. If an entity places a bid, then the person executing the bid on behalf of the entity agrees to personally guarantee payment for any successful bid.

Credit:

7. In order to place bids, Bidders who have not established credit with the Auctioneer must either furnish satisfactory credit information (including two collectibles-related business references) or supply valid credit card information along with a social security number, well in advance of the Auction. Bids placed through our Interactive Internet program will only be accepted from pre-registered Bidders. Bidders who are not members of HA.com or affiliates should preregister at least 48 hours before the start of the first session (exclusive of holidays or weekends) to allow adequate time to contact references. Credit will be granted at the discretion of Auctioneer. Additionally Bidders who have not previously established credit or who wish to bid in excess of their established credit history may be required to provide their social security number or the last four digits thereof so a credit check may be performed prior to Auctioneer's acceptance of a bid. Check writing privileges and immediate delivery of merchandise may also be determined by pre-approval of credit based on a combination of criteria: HA.com history, related industry references, bank verification, a credit bureau report and/or a personal guarantee for a corporate or partnership entity in advance of the auction venue.

Bidding Options:

8. Bids in Signature, Auctions or Grand Format Auctions may be placed as set forth in the printed catalog section entitled "Choose your bidding method." For auctions held solely on the Internet, see the alternatives on HA.com. Review at <http://www.ha.com/c/ref/web-tips.zx#biddingTutorial>.
9. Presentment of Bids: Non-Internet bids (including but not limited to podium, fax, phone and mail bids) are treated similar to floor bids in that they must be on-increment or at a half increment (called a cut bid). Any podium, fax, phone, or mail bids that do not conform to a full or half increment will be rounded up or down to the nearest full or half increment and this revised amount will be considered your high bid.
10. Auctioneer's Execution of Certain Bids. Auctioneer cannot be responsible for your errors in bidding, so carefully check that every bid is entered correctly. When identical mail or FAX bids are submitted, preference is given to the first received. To ensure the greatest accuracy, your written bids should be entered on the standard printed bid sheet and be received at Auctioneer's place of business at least two business days before the Auction start. Auctioneer is not responsible for executing mail bids or FAX bids received on or after the day the first lot is sold, nor Internet bids submitted after the published closing time; nor is Auctioneer responsible for proper execution of bids submitted by telephone, mail, FAX, e-mail, Internet, or in person once the Auction begins. Bids placed electronically via the internet may not be withdrawn until your written request is received and acknowledged by Auctioneer (FAX: 214-409-1425); such requests must state the reason, and may constitute grounds for withdrawal of bidding privileges. Lots won by mail Bidders will not be delivered at the Auction unless prearranged.
11. Caveat as to Bid Increments. Bid increments (over the current bid level) determine the lowest amount you may bid on a particular lot. Bids greater than one increment over the current bid can be any whole dollar amount. It is possible under several circumstances for winning bids to be between increments, sometimes only \$1 above the previous increment. Please see: "How can I lose by less than an increment?" on our website. Bids will be accepted in whole dollar amounts only. No "buy" or "unlimited" bids will be accepted.

The following chart governs current bidding increments (see HA.com/c/ref/web-tips.zx#guidelines-increments).

12. If Auctioneer calls for a full increment, a bidder may request Auctioneer to accept a bid at half of the increment ("Cut Bid") only once per lot. After offering a Cut Bid, bidders may continue to participate only at full increments. Off-increment bids may be accepted by the Auctioneer at Signature® Auctions and Grand Format Auctions. If the Auctioneer solicits bids other than the expected increment, these bids will not be considered Cut Bids.

Conducting the Auction:

13. Notice of the consignor's liberty to place bids on his lots in the Auction is hereby made in accordance with Article 2 of the Texas Business and Commercial Code. A "Minimum Bid" is an amount below which the lot will not sell. THE CONSIGNOR OF PROPERTY MAY PLACE WRITTEN "Minimum Bids" ON HIS LOTS IN ADVANCE OF THE AUCTION; ON SUCH LOTS, IF THE HAMMER PRICE DOES NOT MEET THE "Minimum Bid", THE CONSIGNOR MAY PAY A

REDUCED COMMISSION ON THOSE LOTS. "Minimum Bids" are generally posted online several days prior to the Auction closing. For any successful bid placed by a consignor on his Property on the Auction floor, or by any means during the live session, or after the "Minimum Bid" for an Auction have been posted, we will require the consignor to pay full Buyer's Premium and Seller's Commissions on such lot.

14. The highest qualified Bidder recognized by the Auctioneer shall be the Buyer. In the event of a tie bid, the earliest bid received or recognized wins. In the event of any dispute between any Bidders at an Auction, Auctioneer may at his sole discretion reoffer the lot. Auctioneer's decision and declaration of the winning Bidder shall be final and binding upon all Bidders. Bids properly offered, whether by floor Bidder or other means of bidding, may on occasion be missed or go unrecognized; in such cases, the Auctioneer may declare the recognized bid accepted as the winning bid, regardless of whether a competing bid may have been higher. Auctioneer reserves the right after the hammer fall to accept bids and reopen bidding for bids placed through the Internet or otherwise.
15. Auctioneer reserves the right to refuse to honor any bid or to limit the amount of any bid, in its sole discretion. A bid is considered not made in "Good Faith" when made by an insolvent or irresponsible person, a person under the age of eighteen, or is not supported by satisfactory credit, collectibles references, or otherwise. Regardless of the disclosure of his identity, any bid by a consignor or his agent on a lot consigned by him is deemed to be made in "Good Faith." Any person apparently appearing on the OFAC list is not eligible to bid.
16. Nominal Bids. The Auctioneer in its sole discretion may reject nominal bids, small opening bids, or very nominal advances. If a lot bearing estimates fails to open for 40-60% of the low estimate, the Auctioneer may pass the item or may place a protective bid on behalf of the consignor.
17. Lots bearing bidding estimates shall open at Auctioneer's discretion (generally 40%-60% of the low estimate). In the event that no bid meets or exceeds that opening amount, the lot shall pass as unsold.
18. All items are to be purchased per lot as numerically indicated and no lots will be broken. Auctioneer reserves the right to withdraw, prior to the close, any lots from the Auction.
19. Auctioneer reserves the right to rescind the sale in the event of nonpayment, breach of a warranty, disputed ownership, auctioneer's clerical error or omission in exercising bids and reserves, or for any other reason and in Auctioneer's sole discretion. In cases of nonpayment, Auctioneer's election to void a sale does not relieve the Bidder from their obligation to pay Auctioneer its fees (seller's and buyer's premium) and any other damages or expenses pertaining to the lot.
20. Auctioneer occasionally experiences Internet and/or Server service outages, and Auctioneer periodically schedules system downtime for maintenance and other purposes, during which Bidders cannot participate or place bids. If such outages occur, we may at our discretion extend bidding for the Auction. Bidders unable to place their Bids through the Internet are directed to contact Client Services at 877-HERITAGE (437-4824).
21. The Auctioneer, its affiliates, or their employees consign items to be sold in the Auction, and may bid on those lots or any other lots. Auctioneer or affiliates expressly reserve the right to modify any such bids at any time prior to the hammer based upon data made known to the Auctioneer or its affiliates. The Auctioneer may extend advances, guarantees, or loans to certain consignors.
22. The Auctioneer has the right to sell certain unsold items after the close of the Auction. Such lots shall be considered sold during the Auction and all these Terms and Conditions shall apply to such sales including but not limited to the Buyer's Premium, return rights, and disclaimers.

Payment:

23. All sales are strictly for cash in United States dollars (including U.S. currency, bank wire, cashier checks, travelers checks, eChecks, and bank money orders, and are subject to all reporting requirements). All deliveries are subject to good funds; funds being received in Auctioneer's account before delivery of the Purchases; and all payments are subject to a clearing period. Auctioneer reserves the right to determine if a check constitutes "good funds": checks drawn on a U.S. bank are subject to a ten business day hold, and thirty days when drawn on an international bank. Clients with pre-arranged credit status may receive immediate credit for payments via eCheck, personal, or corporate checks. All others will be subject to a hold of 5 days, or more, for the funds to clear prior to releasing merchandise. (Ref. T&C item 7 Credit for additional information.) Payments can be made 24-48 hours post auction from the My Orders page of the HA.com website.
24. Payment is due upon closing of the Auction session, or upon presentment of an invoice. Auctioneer reserves the right to void an invoice if payment in full is not received within 7 days after the close of the Auction. In cases of nonpayment, Auctioneer's election to void a sale does not relieve the Bidder from their obligation to pay Auctioneer its fees (seller's and buyer's premium) on the lot and any other damages pertaining to the lot or Auctioneer, at its option, may charge a twenty (20%) restock fee on the amount of the purchase and offset the restock fee against any monies paid to the Auctioneer or against any of the purchaser's properties held by the Auctioneer.
25. Lots delivered to you, or your representative are subject to all applicable state and local taxes, unless appropriate permits are on file with Auctioneer. Bidder agrees to pay Auctioneer the actual amount of tax due in the event that sales tax is not properly collected due to: 1) an expired, inaccurate, or inappropriate tax certificate or declaration, 2) an incorrect interpretation of the applicable statute, 3) or any other reason. The appropriate form or certificate must be on file at and verified by Auctioneer five days prior to Auction, or tax must be paid; only if such form or certificate is received by Auctioneer within 4 days after the Auction can a refund of tax paid be made. Lots from different Auctions may not be aggregated for sales tax purposes.
26. In the event that a Bidder's payment is dishonored upon presentment(s), Bidder shall pay the maximum statutory processing fee set by applicable state law. If you attempt to pay via eCheck and your financial institution denies this transfer from your bank account, or the payment cannot be completed using the selected funding source, you agree to complete payment using your credit card on file.
27. If any Auction invoice submitted by Auctioneer is not paid in full when due, the unpaid balance will bear interest at the highest rate permitted by law from the date of invoice until paid. Any invoice not paid when due will bear a three percent (3%) late fee on the invoice amount. If the Auctioneer refers any invoice to an attorney for collection, the buyer agrees to pay attorney's fees, court costs, and other collection costs incurred by Auctioneer. If Auctioneer assigns collection to its in-house legal staff, such attorney's time expended on the matter shall be compensated at a rate comparable to the hourly rate of independent attorneys.
28. In the event a successful Bidder fails to pay any amounts due, Auctioneer reserves the right to sell the lot(s) securing the invoice to any underbidders in the Auction that the lot(s) appeared, or at subsequent private or public sale, or relist the lot(s) in a future auction conducted by Auctioneer. A defaulting Bidder agrees to pay for the reasonable costs of resale (including a 15% seller's commission, if consigned to an auction conducted by Auctioneer). The defaulting Bidder is liable to pay any difference between his total original invoice for the lot(s), plus any applicable interest, and the net proceeds for the lot(s) if sold at private sale or the subsequent hammer price of the lot(s) less the 15% seller's commissions, if sold at an Auctioneer's auction.
29. Auctioneer reserves the right to require payment in full in good funds before delivery of the merchandise.
30. Auctioneer shall have a lien against the merchandise purchased by the buyer to secure payment of the Auction invoice. Auctioneer is further granted a lien and the right to retain possession of any other property of the buyer then held by the Auctioneer or its affiliates to secure payment of any Auction invoice or any other amounts due the Auctioneer or affiliates from the buyer. With respect to these lien rights, Auctioneer shall have all the rights of a secured creditor under Article 9 of the Texas Uniform Commercial Code, including but not limited to the right of sale (including a 15% seller's commission, if consigned to an auction conducted by Auctioneer). In

Terms and Conditions of Auction

addition, with respect to payment of the Auction invoice(s), the buyer waives any and all rights of offset he might otherwise have against the Auctioneer and the consignor of the merchandise included on the invoice. If a Bidder owes Auctioneer or its affiliates on any account, Auctioneer and its affiliates shall have the right to offset such unpaid account by any credit balance due Bidder, and it may secure by possessory lien any unpaid amount by any of the Bidder's property in their possession..

31. Title shall not pass to the successful Bidder until all invoices are paid in full. It is the responsibility of the buyer to provide adequate insurance coverage for the items once they have been delivered to a common carrier or third-party shipper.

Delivery; Shipping; and Handling Charges:

32. Buyer is liable for shipping, handling, registration, and renewal fees, if any. Please refer to Auctioneer's website HA.com/c/shipping.zx for the latest charges or call Auctioneer. Auctioneer is unable to combine purchases from other auctions or affiliates into one package for shipping purposes. Lots won will be shipped in a commercially reasonable time after payment in good funds for the merchandise and the shipping fees is received or credit extended, except when third-party shipment occurs. Buyer agrees that Service and Handling charges related to shipping items which are not pre-paid may be charged to the credit card on file with Auctioneer.

33. Successful international Bidders shall provide written shipping instructions, including specified customs declarations, to the Auctioneer for any lots to be delivered outside of the United States. NOTE: Declaration value shall be the item(s) hammer price together with its buyer's premium and Auctioneer shall use the correct harmonized code for the lot. Domestic Buyers on lots designated for third-party shipment must designate the common carrier, accept risk of loss, and prepay shipping costs.

34. All shipping charges will be borne by the successful Bidder. On all domestic shipments, any risk of loss during shipment will be borne by Heritage until the shipping carrier's confirmation of delivery to the address of record in Auctioneer's file (carrier's confirmation is conclusive to prove delivery to Bidder; if the client has a Signature release on file with the carrier, the package is considered delivered without Signature) or delivery by Heritage to Bidder's selected third-party shipper. On all foreign shipments, any risk of loss during shipment will be borne by the Bidder following Auctioneer's delivery to the Bidder's designated common carrier or third-party shipper.

35. Due to the nature of some items sold, it shall be the responsibility for the successful Bidder to arrange pick-up and shipping through third-parties; as to such items Auctioneer shall have no liability. Failure to pick-up or arrange shipping in a timely fashion (within ten days) shall subject Lots to storage and moving charges, including a \$100 administration fee plus \$10 daily storage for larger items and \$5.00 daily for smaller items (storage fee per item) after 35 days. In the event the Lot is not removed within ninety days, the Lot may be offered for sale to recover any past due storage or moving fees, including a 10% Seller's Commission.

- 36A. The laws of various countries regulate the import or export of certain plant and animal properties, including (but not limited to) items made of (or including) Brazilian rosewood, ivory, whalebone, turtle shell, coral, crocodile, or other wildlife. Transport of such lots may require special licenses for export, import, or both. Bidder is responsible for: 1) obtaining all information on such restricted items for both export and import; 2) obtaining all such licenses and/or permits. Delay, failure, or incapacity to obtain any such license or permit does not relieve the buyer of timely payment, or afford them the capacity to void their purchase or payment. For further information, please contact Ron Brackemyre at 800-872-6467 ext. 1312.

- 36B. California State law prohibits the importation of any product containing Python skin into the State of California, thus no lot containing Python skin will be shipped to or invoiced to a person or company in California.

- 36C. Auctioneer shall not be liable for any loss caused by or resulting from:

- a. Seizure or destruction under quarantine or Customs regulation, or confiscation by order of any Government or public authority, or risks of contraband or illegal transportation of trade, or
- b. Breakage of statuary, marble, glassware, bric-a-brac, porcelains, jewelry, and similar fragile articles

37. Any request for shipping verification for undelivered packages must be made within 30 days of shipment by Auctioneer.

Cataloging, Warranties and Disclaimers:

38. NO WARRANTY, WHETHER EXPRESSED OR IMPLIED, IS MADE WITH RESPECT TO ANY DESCRIPTION CONTAINED IN THIS AUCTION OR ANY SECOND OPINE. Any description of the items or second opine contained in this Auction is for the sole purpose of identifying the items for those Bidders who do not have the opportunity to view the lots prior to bidding, and no description of items has been made part of the basis of the bargain or has created any express warranty that the goods would conform to any description made by Auctioneer. Color variations can be expected in any electronic or printed imaging, and are not grounds for the return of any lot. NOTE: Auctioneer, in specified auction venues, for example, Fine Art, may have express written warranties and you are referred to those specific terms and conditions. .

39. Auctioneer is selling only such right or title to the items being sold as Auctioneer may have by virtue of consignment agreements on the date of auction and disclaims any warranty of title to the Property. Auctioneer disclaims any warranty of merchantability or fitness for any particular purposes. All images, descriptions, sales data, and archival records are the exclusive property of Auctioneer, and may be used by Auctioneer for advertising, promotion, archival records, and any other uses deemed appropriate.

40. Translations of foreign language documents may be provided as a convenience to interested parties. Auctioneer makes no representation as to the accuracy of those translations and will not be held responsible for errors in bidding arising from inaccuracies in translation.

41. Auctioneer disclaims all liability for damages, consequential or otherwise, arising out of or in connection with the sale of any Property by Auctioneer to Bidder. No third party may rely on any benefit of these Terms and Conditions and any rights, if any, established hereunder are personal to the Bidder and may not be assigned. Any statement made by the Auctioneer is an opinion and does not constitute a warranty or representation. No employee of Auctioneer may alter these Terms and Conditions, and, unless signed by a principal of Auctioneer, any such alteration is null and void.

42. Auctioneer shall not be liable for breakage of glass or damage to frames (patent or latent); such defects, in any event, shall not be a basis for any claim for return or reduction in purchase price.

Release:

43. In consideration of participation in the Auction and the placing of a bid, Bidder expressly releases Auctioneer, its officers, directors and employees, its affiliates, and its outside experts that provide second opinions, from any and all claims, cause of action, chose of action, whether at law or equity or any arbitration or mediation rights existing under the rules of any professional society or affiliation based upon the assigned description, or a derivative theory, breach of warranty express or implied, representation or other matter set forth within these Terms and Conditions of Auction or otherwise. In the event of a claim, Bidder agrees that such rights and privileges conferred therein are strictly construed as specifically declared herein; e.g., authenticity, typographical error, etc. and are the exclusive remedy. Bidder, by non-compliance to these express terms of a granted remedy, shall waive any claim against Auctioneer.

44. Notice: Some Property sold by Auctioneer are inherently dangerous e.g. firearms, cannons, and small items that may be swallowed or ingested or may have latent defects all of which may cause harm to a person. Purchaser accepts all risk of loss or damage from its purchase of these items and Auctioneer disclaims any liability whether under contract or tort for damages and losses, direct or consequential, and expressly disclaims any warranty as to safety or usage of any lot sold.

Dispute Resolution and Arbitration Provision:

45. By placing a bid or otherwise participating in the auction, Bidder accepts these Terms and Conditions of Auction, and specifically agrees to the dispute resolution provided herein. Consumer disputes shall be resolved through court litigation which has an exclusive Dallas, Texas venue clause and jury waiver. Non-consumer dispute shall be determined in binding arbitration which arbitration replaces the right to go to court, including the right to a jury trial.

46. Auctioneer in no event shall be responsible for consequential damages, incidental damages, compensatory damages, or any other damages arising or claimed to be arising from the auction of any lot. In the event that Auctioneer cannot deliver the lot or subsequently it is established that the lot lacks title, or other transfer or condition issue is claimed, in such cases the sole remedy shall be limited to rescission of sale and refund of the amount paid by Bidder; in no case shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot. After one year has elapsed, Auctioneer's maximum liability shall be limited to any commissions and fees Auctioneer earned on that lot.

47. In the event of an attribution error, Auctioneer may at its sole discretion, correct the error on the Internet, or, if discovered at a later date, to refund the buyer's purchase price without further obligation.

48. Exclusive Dispute Resolution Process: All claims, disputes, or controversies in connection with, relating to and/or arising out of your Participation in the Auction or purchase of any lot, any interpretation of the Terms and Conditions of Sale or any amendments thereto, any description of any lot or condition report, any damage to any lot, any alleged verbal modification of any term of sale or condition report or description and/or any purported settlement whether asserted in contract, tort, under Federal or State statute or regulation or any claim made by you of a lot or your Participation in the auction involving the auction or a specific lot involving a warranty or representation of a consignor or other person or entity including Auctioneer { which claim you consent to be made a party} (collectively, "Claim") shall be exclusively heard by, and the claimant (or respondent as the case may be) and Heritage each consent to the Claim being presented in a confidential binding arbitration before a single arbitrator administrated by and conducted under the rules of, the American Arbitration Association. The locale for all such arbitrations shall be Dallas, Texas. The arbitrator's award may be enforced in any court of competent jurisdiction. If a Claim involves a consumer, exclusive subject matter jurisdiction for the Claim is in the State District Courts of Dallas County, Texas and the consumer consents to subject matter and in personam jurisdiction; further CONSUMER EXPRESSLY WAIVES ANY RIGHT TO TRIAL BY JURY. A consumer may elect arbitration as specified above. Any claim involving the purchase or sale of numismatic or related items may be submitted through binding PNG arbitration. Any Claim must be brought within two (2) years of the alleged breach, default or misrepresentation or the Claim is waived. Exemplary or punitive damages are not permitted and are waived. A Claim is not subject to class certification. Nothing herein shall be construed to extend the time of return or conditions and restrictions for return. This Agreement and any Claim shall be determined and construed under Texas law. The prevailing party (a party that is awarded substantial and material relief on its damage claim based on damages sought vs. awarded or the successful defense of a Claim based on damages sought vs. awarded) may be awarded its reasonable attorneys' fees and costs.

49. No claims of any kind can be considered after the settlements have been made with the consignors. Any dispute after the settlement date is strictly between the Bidder and consignor without involvement or responsibility of the Auctioneer.

50. In consideration of their participation in or application for the Auction, a person or entity (whether the successful Bidder, a Bidder, a purchaser and/or other Auction participant or registrant) agrees that all disputes in any way relating to, arising under, connected with, or incidental to these Terms and Conditions and purchases, or default in payment thereof, shall be arbitrated pursuant to the arbitration provision. In the event that any matter including actions to compel arbitration, construe the agreement, actions in aid of arbitration or otherwise needs to be litigated, such litigation shall be exclusively in the Courts of the State of Texas, in Dallas County, Texas, and if necessary the corresponding appellate courts. For such actions, the successful Bidder, purchaser, or Auction participant also expressly submits himself to the personal jurisdiction of the State of Texas.

51. These Terms & Conditions provide specific remedies for occurrences in the auction and delivery process. Where such remedies are afforded, they shall be interpreted strictly. Bidder agrees that any claim shall utilize such remedies; Bidder making a claim in excess of those remedies provided in these Terms and Conditions agrees that in no case whatsoever shall Auctioneer's maximum liability exceed the high bid on that lot, which bid shall be deemed for all purposes the value of the lot.

Miscellaneous:

52. Agreements between Bidders and consignors to effectuate a non-sale of an item at Auction, inhibit bidding on a consigned item to enter into a private sale agreement for said item, or to utilize the Auctioneer's Auction to obtain sales for non-selling consigned items subsequent to the Auction, are strictly prohibited. If a subsequent sale of a previously consigned item occurs in violation of this provision, Auctioneer reserves the right to charge Bidder the applicable Buyer's Premium and consignor a Seller's Commission as determined for each auction venue and by the terms of the seller's agreement.

53. Acceptance of these Terms and Conditions qualifies Bidder as a client who has consented to be contacted by Heritage in the future. In conformity with "do-not-call" regulations promulgated by the Federal or State regulatory agencies, participation by the Bidder is affirmative consent to being contacted at the phone number shown in his application and this consent shall remain in effect until it is revoked in writing. Heritage may from time to time contact Bidder concerning sale, purchase, and auction opportunities available through Heritage and its affiliates and subsidiaries.

54. Rules of Construction: Auctioneer presents properties in a number of collectible fields, and as such, specific venues have promulgated supplemental Terms and Conditions. Nothing herein shall be construed to waive the general Terms and Conditions of Auction by these additional rules and shall be construed to give force and effect to the rules in their entirety.

Terms and Conditions of Auction

Additional Terms & Conditions:

COINS & CURRENCY

COINS and CURRENCY TERM A: Signature. Auctions are not on approval. No certified material may be returned because of possible differences of opinion with respect to the grade offered by any third-party organization, dealer, or service. No guarantee of grade is offered for uncertified Property sold and subsequently submitted to a third-party grading service. There are absolutely no exceptions to this policy. Under extremely limited circumstances, (e.g. gross cataloging error) a purchaser, who did not bid from the floor, may request Auctioneer to evaluate voiding a sale: such request must be made in writing detailing the alleged gross error; submission of the lot to the Auctioneer must be pre-approved by the Auctioneer; and bidder must notify Ron Brackemyre (1-800-872-6467 Ext. 1312) in writing of such request within three (3) days of the non-floor bidder's receipt of the lot. Any lot that is to be evaluated must be in our offices within 30 days after Auction. Grading or method of manufacture do not qualify for this evaluation process nor do such complaints constitute a basis to challenge the authenticity of a lot. AFTER THAT 30-DAY PERIOD, NO LOTS MAY BE RETURNED FOR REASONS OTHER THAN AUTHENTICITY. Lots returned must be housed intact in their original holder. No lots purchased by floor Bidders may be returned (including those Bidders acting as agents for others) except for authenticity. Late remittance for purchases may be considered just cause to revoke all return privileges.

COINS and CURRENCY TERM B: Auctions conducted solely on the Internet THREE (3) DAY RETURN POLICY: Certified Coin and Uncertified and Certified Currency lots paid for within seven days of the Auction closing are sold with a three (3) day return privilege unless otherwise noted in the description as "Sold As Is, No Return Lot". You may return lots under the following conditions: Within three days of receipt of the lot, you must first notify Auctioneer by contacting Client Service by phone (877-HERITAGE (437-4824)) or e-mail (Bid@HA.com), and immediately ship the lot(s) fully insured to the attention of Returns, Heritage, 3500 Maple Avenue, 17th Floor, Dallas TX 75219-3941. Lots must be housed intact in their original holder and condition. You are responsible for the insured, safe delivery of any lots. A non-negotiable return fee of 5% of the purchase price (\$10 per lot minimum) will be deducted from the refund for each returned lot or billed directly. Postage and handling fees are not refunded. After the three-day period (from receipt), no items may be returned for any reason. Late remittance for purchases revokes these Return privileges.

COINS and CURRENCY TERM C: Bidders who have inspected the lots prior to any Auction, or attended the Auction, or bid through an Agent, will not be granted any return privileges, except for reasons of authenticity.

COINS and CURRENCY TERM D: Coins sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for a guarantee by Auctioneer that they are genuine. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Numismatic Guaranty Corporation (NGC), P.O. Box 4776, Sarasota, FL 34230, <http://www.ngccoin.com/services/writtenguarantee.asp>; Professional Coin Grading Service (PCGS), PO Box 9458, Newport Beach, CA 92658, <http://www.pcg.com/guarantee.html>; ANACS, 6555 S. Kenton St. Ste. 303, Englewood, CO 80111; and Independent Coin Grading Co. (ICG), 7901 East Bellevue Ave., Suite 50, Englewood, CO 80111.

COINS and CURRENCY TERM E: Notes sold referencing a third-party grading service are sold "as is" without any express or implied warranty, except for guarantee by Auctioneer that they are genuine. Grading, condition or other attributes of any lot may have a material effect on its value, and the opinion of others, including third-party grading services such as PCGS Currency, PMG, and CGA may differ with that of Auctioneer. Auctioneer shall not be bound by any prior or subsequent opinion, determination, or certification by any grading service. Bidder specifically waives any claim to right of return of any item because of the opinion, determination, or certification, or lack thereof, by any grading service. Certain warranties may be available from the grading services and the Bidder is referred to them for further details: Paper Money Guaranty (PMG), PO Box 4711, Sarasota FL 34230; PCGS Currency, PO Box 9458, Newport Beach, CA 92658; Currency Grading & Authentication (CGA), PO Box 418, Three Bridges, NJ 08887. Third party graded notes are not returnable for any reason whatsoever.

COINS and CURRENCY TERM F: Since we cannot examine encapsulated coins or notes, they are sold "as is" without our grading opinion, and may not be returned for any reason. Auctioneer shall not be

liable for any patent or latent defect or controversy pertaining to or arising from any encapsulated collectible. In any such instance, purchaser's remedy, if any, shall be solely against the service certifying the collectible.

COINS and CURRENCY TERM G: Due to changing grading standards over time, differing interpretations, and to possible mishandling of items by subsequent owners, Auctioneer reserves the right to grade items differently than shown on certificates from any grading service that accompany the items. Auctioneer also reserves the right to grade items differently than the grades shown in the prior catalog should such items be reconsigned to any future auction.

COINS and CURRENCY TERM H: Although consensus grading is employed by most grading services, it should be noted as aforesaid that grading is not an exact science. In fact, it is entirely possible that if a lot is broken out of a plastic holder and resubmitted to another grading service or even to the same service, the lot could come back with a different grade assigned.

COINS and CURRENCY TERM I: Certification does not guarantee protection against the normal risks associated with potentially volatile markets. The degree of liquidity for certified coins and collectibles will vary according to general market conditions and the particular lot involved. For some lots there may be no active market at all at certain points in time.

COINS and CURRENCY TERM J: All non-certified coins and currency are guaranteed genuine, but are not guaranteed as to grade, since grading is a matter of opinion, an art and not a science, and therefore the opinion rendered by the Auctioneer or any third party grading service may not agree with the opinion of others (including trained experts), and the same expert may not grade the same item with the same grade at two different times. Auctioneer has graded the non-certified numismatic items, in the Auctioneer's opinion, to their current interpretation of the American Numismatic Association's standards as of the date the catalog was prepared. There is no guarantee or warranty implied or expressed that the grading standards utilized by the Auctioneer will meet the standards of any grading service at any time in the future.

COINS and CURRENCY TERM K: Storage of purchased coins and currency: Purchasers are advised that certain types of plastic may react with a coin's metal or transfer plasticizer to notes and may cause damage. Caution should be used to avoid storage in materials that are not inert.

COINS and CURRENCY TERM L: NOTE: Purchasers of rare coins or currency through Heritage have available the option of arbitration by the Professional Numismatists Guild (PNG); if an election is not made within ten (10) days of an unresolved dispute, Auctioneer may elect either PNG or A.A.A. Arbitration.

COINS and CURRENCY TERM M: For more information regarding Canadian lots attributed to the Charlton reference guides, please contact: Charlton International, PO Box 820, Station Willowdale B, North York, Ontario M2K 2R1 Canada.

COINS and CURRENCY TERM N: Some of the lots offered herein have been assigned to 1031 Services, Inc. for the purpose of consignor's tax deferred exchange.

COINS and CURRENCY TERM O: Financing. Auctioneer offers various extended payment options to qualified pre-approved persons and companies. The options include Extended Payment Programs (EPP) Flexible Payment Program (FPP) and Dealer Terms. Each program has its specific terms and conditions and such terms and conditions are strictly enforced. Each program has to be executed by the purchaser. Auctioneer reserves the right to alter or deny credit and in such case these auction terms shall control.
